Message from Club Editor 2025-26

Hello friends,

Greetings to you all as we start a new 'Peak to Peak' journey in the new Rotary year; a journey that we will undertake to move from success to success, serving humanity and serving to change lives. Hearty congratulations also to the outgoing team of RCBV for their dazzling performance, grand success and outstanding achievements. And a warm welcome and best wish to the incoming President and the new team. I am very happy to present the first issue of "ENDEAVOUR" July 2025, the first month of Rotary year. Let us start working towards our goal "UNITE FOR A BETTER CAUSE" with the same enthusiasm. Creating an interesting and informative Bulletin is enjoyable work for me. I hope the readers too will enjoy these bulletins. The Club Bulletin being a very effective means of external and internal public image, it should be like a mirror. All projects, programs and activities of the club along with District and RI projects are to be included in it. At the

same time personalities and capabilities of members should also be reflected by it. For this, I invite all members to contribute to the contents of our bulletin. There is a separate section for anns and rotakids also where poems, travelogues, interesting experiences, useful tips etc. are most welcome. I am very keen to get contributions from new members. That will be their best introduction in the Club; it will develop fellowship and help them to assimilate in the group. I urge you to look through this bulletin, contribute where contributions are requested, and above all, smile, laugh and enjoy the Bulletin. Here's wishing you a wonderful month ahead.

Warmest regards,
