MESSAGE FROM RI PRESIDENT (2025 - 26)

Cari amici,

Two weeks ago, I was in my living room playing with my grandchildren. A few days later, I was on a plane to Calgary, suddenly carrying the responsibility of leading this incredible organization. Life comes fast, but so often, it brings us exactly where we're meant to be.

We begin this year with a clear message: **Unite for Good**. It is a simple phrase, but a powerful one. Because behind every successful Rotary effort, every act of service, every new member welcomed, every global challenge met – there are two things that matter most: friendship and trust.

This is how we build strong clubs. It's how we create meaningful partnerships and transform global problems into local solutions. It's also how we lead—not through titles or applause, but with humility, humanity, and heart. But let me be honest with you— this kind of leadership is not always easy. We're human and yes, we make mistakes. We sometimes disagree, but in Rotary, we are called to something greater. Let us reflect on the full vision of Rotary:

Together, we see a world where people unite and take action to create lasting change

— across the globe, in our communities, and in ourselves.

That last part is essential, because transformation doesn't start with strategy. It starts with character and the way we treat one another. It starts with how we listen, how we support, and how we serve.

This year, I ask you to lead with that spirit. To grow Rotary through relationships. To make your clubs more welcoming, more flexible, more open to new ideas. To think big

—but also to think beyond one year. Our term is short, but our impact can be lasting if we plan and act with continuity and vision.

Let us remember our key priorities: membership, polio, and peace. We are closer than ever to ending polio. We cannot stop now. We must keep the promise we made to the children of the world. And as for peace— Rotary has been building it for over a century. Every clean water system, every youth exchange, every maternal health project is a step toward peace.

I joined Rotary as a young professional, eager to help but terrified of public speaking. My fellow Rotarians believed in me and encouraged me to take on new roles, and in doing so, Rotary changed my life. It gave me courage and purpose, but above all, it gave me you: my friends, my team, my family around the world.

So now, my friends... take out your dreams tucked away in a drawer, especially those you thought were too big or bold to achieve. Let's bring them into the light. Let's **Unite for Good**—for our clubs, our communities, and our world. And let's make this a year not only of service, but of joy, of connection, and of love.

With gratitude and affection,

Francesco Arezzo

MESSAGE FROM DISTRICT GOVERNOR, 2025-26

Dear Rotarians,

It is with great pride and heartfelt warmth that I extend my congratulations to the incoming President, Secretary, and the newly installed team of Rotary Club of Calcutta South City.

As each new team takes charge, it carries forward the legacy of leadership, fellowship, and impactful service. I urge you to dream boldly, act compassionately, and lead inclusively—ensuring that your club becomes a lighthouse of hope and change in your community.

Let us embrace innovation while cherishing Rotary's timeless values. Work hand-in-hand with your members, reach out to the youth, collaborate with partners, and most importantly—listen to your community. The world needs Rotary now more than ever.

Presently, the baby girl is in the intensive care at RSV Hospital at Tollygunge Phari, Kolkata and has completed 29 weeks and is fighting for her life. The cost of intensive care charges is 10,000/- per day with the family already having spent 4,70,000/- over the past nine weeks. The pediatrician has suggested that the baby girl needs to be kept in intensive care for another 8 weeks to survive which will cost an additional 5,60,000/- . On 2nd August, 2025 the Rotary Club of Calcutta South City, in collaboration with the Kolkata Municipal Corporation (KMC), organized a wonderful Plantation & Park Beautification Drive at Jodhpur Park Lake.

A total of 58 saplings were planted around the lake, adding fresh greenery and life to this much-loved community space. The event was graced by Botanist Ms. Sarbani Dutta, representing KMC, whose guidance ensured that the right plants were chosen for the environment.

It was heartening to see enthusiastic participation from members of the Rotary Club and KMC, all coming together with a shared vision of a greener, cleaner, and more beautiful Kolkata.

Mosquito Nets

The Rotary Club of Calcutta South City (RCCSC) acquired 50 mosquito nets from the District for a payment of Rs 3500/-, as part of an important initiative during the monsoon season.

With the risk of mosquito-borne diseases on the rise, this project aims to safeguard the vulnerable. Working with Ms. Sudarshana Mukherjee, Councillor of KMC Ward No. 68, we identified 50 beneficiaries, mainly from

marginalized sections such as garbage and sewerage cleaners and rickshaw pullers.

On Independence Day, we distributed these mosquito nets at Citizen's Park, Cornfield Road, Ballygunge, with the support of Ms. Mukherjee. Rotarians from RCCSC participated in the project. We thank all those involved for their contribution to making a difference in the community.
