Rotary Foundation receives highest rating from Charity Navigator for 13th consecutive year

By Rotary International

For the 13th consecutive year, The Rotary Foundation has received the highest rating - four stars - from Charity Navigator, an independent evaluator of charities in the U.S.

The Foundation earned the recognition for adhering to sector best practices and executing its mission in a financially efficient way, demonstrating both strong financial health and commitment to accountability and transparency. Only one percent of the organizations Charity Navigator evaluates have received 13 consecutive 4-star evaluations.

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

SHELTERBOX RECOGNIZES ROTARY WITH GLOBAL HUMANITARIAN SERVICE AWARD

ShelterBox awarded Rotary International with its first Global Humanitarian Service Award, in recognition of Rotary's outstanding partnership throughout the years during its 20th anniversary virtual event on 12 November.

Founded in 2000 by a Rotary member in the United Kingdom, ShelterBox provides emergency shelter and essential supplies to help communities through their toughest times. ShelterBox and Rotary officially became project partners in disaster relief in 2012.

Rotary has been instrumental in ShelterBox's growth, helping to transform ShelterBox into an internationally recognized disaster relief charity. The mutual benefits are enormous. ShelterBox receives networking, logistical and financial support from Rotary and, equally, acts as a catalyst in encouraging people all over the world to become involved with their local Rotary club.

ShelterBox CEO Sanj Srikanthan presented the award to Rotary International General Secretary and CEO John Hewko at the virtual event.

The two organizations have helped over 1.6 million people in 100 countries. More recently, the partnership has delivered lifesaving shelter and aid to families, protecting them from the threat of coronavirus.

THE ROTARY INTERNATIONAL'S ACTION PLAN FOR THE NEXT 5 YEARS

As People of Action, we understand that fulfilling that vision requires a plan.

More than a century ago, we pioneered a new model of service leadership grounded in person-to-person connections. Today, those connections are a network that spans the globe—bridging cultural, linguistic, generational, and geographic barriers—and shares the vision of a better world. As People of Action, we understand that fulfilling that vision requires a plan.

This is Rotary's Action Plan through 2024: to increase our impact, expand our reach, enhance participant engagement, and increase our ability to adapt.

Priority 1 - Increase Our Impact

People of Action are effective problem-solvers.

Let's seek out new ways to translate our expertise into making a difference - in our communities and across the globe. We've made measurable impact through our leadership in the effort to eradicate polio. Let's prove that our impact on the world has only just begun.

Priority 2 - Expand Our Reach

People of Action activate and inspire one another.

Let's build connections and opportunities that will allow people who share our drive to do the same.

Priority 3 - Enhance Participant Engagement

People of Action strive to understand the needs of others.

Let's recommit to putting the needs, expectations, and growth of our participants at the center of all we do.

Priority 4 - Increase Our Ability to Adapt

People of Action are inventive, entrepreneurial, and resilient. Let's stay true to ourselves and stay ahead of change in our next 115 years.
