RYLA

Rotary Youth Leadership Awards

FOSTERING TRUST

BUILDING CONNECTIONS

BUILDING COMMUNITIES

BE A DYNAMIC LEADER AND CHANGE YOURSELF AND THE WORLD

Rotary Youth Leadership Awards is an intensive leadership experience organized by Rotary clubs and districts where young people can develop leadership skills while having fun and making connections.

What are the benefits?

Connect with leaders in your community and around the world to:

Build communication and problem-solving skills

Discover strategies for becoming a dynamic leader in your school or community

Learn from community leaders, inspirational speakers, and peer mentors

Unlock your potential to turn motivation into action

Have fun and form lasting friendships

What's involved?

RYLA events are organized locally by Rotary clubs and districts for participants ages 14-30. Depending on community needs, RYLA may take the form of a one-day seminar, a three-day retreat, or a weeklong camp. Typically, events last 3-10 days and include presentations, activities, and workshops covering a variety of topics.

Your community might host a RYLA event for secondary school students to hone their leadership potential, for university students to develop creative problem-solving strategies, or for young professionals to learn ethical business practices.

How to plan a RYLA event

Download the RYLA Handbook to learn how to

organize a planning committee, draft a budget, develop your program, and create an evaluation strategy.

How districts support RYLA

District governors, RYLA chairs, and district RYLA committees work together to plan events. Contact your district leaders to see how you can get involved.

Youth protection and risk management

The safety of young people is a top priority for any Rotary-related activity. All committee members and volunteers should attend a youth protection training seminar before holding a RYLA event. Visit the Youth Protection page on My Rotary or find our Statement of Conduct for Working With Youth and more information on student safety and risk management in the Rotary Youth Protection Guide (PDF). Take the online course Protecting Youth Program Participants in the Learning Center.

How to develop an innovative RYLA

Here are some ways to discover community needs: Ask former participants, parents, teachers, and community leaders how your RYLA program can adapt to a changing world.

Focus on developing young leaders who celebrate

diversity, create sustainable change, and become service-minded global citizens.

Offer a variety of RYLA experiences to different age groups.

Provide conflict resolution strategies alongside leadership training.

Emphasize professional development and connect participants with opportunities to serve the community through Rotary.

Combine leadership development and vocational training to help young people discover their potential and hone skills.

Include young people from underserved communities so they become local activists and create positive change.

Ask local experts to help your team make RYLA accessible to anyone with physical or cognitive disabilities.

How to connect with Rotary

Connect with RYLA leaders, alumni, and the entire family of Rotary to share best practices and enhance your program:

Ask your district governor and district RYLA committee about opportunities to get involved.

Search Rotary Showcase to read RYLA success stories from other clubs, to network, and to share ideas.

Join the conversation or start your own in a RYLA-related discussion group.

Contact Interact and Rotaract clubs in your district to identify potential participants or facilitators.

Find contact information in the Listing of Club-Sponsored Organizations report (download instructions).

Subscribe to the Young Leaders in Action newsletter for the latest updates on Rotary's programs for young leaders.

Promote your RYLA program

Customize promotional cards and posters with details about your program or download a RYLA banner from Rotary's Brand Center.

Work with Rotary's licensed vendors to design your own materials or buy supplies.

Keep RYLA alumni involved

Connect past RYLA participants with Rotary service, leadership, and travel opportunities:

Help RYLA alumni stay involved through Interact clubs, Rotaract clubs, Rotary Youth Exchange, Rotary Community Corps, or New Generations Service Exchange.

Encourage RYLA alumni to subscribe to the newsletters or network with other alumni.

Invite RYLA participants to speak at your next club meeting, join a community service project, or serve as a RYLA counselor.
