October is Rotary International's Economic & Community Development Month

Rotary Clubs all over the world help communities and people in other countries with projects that aim to provide sustainable ongoing development and help, not just immediate charity.

The Rotary Foundation also enables Rotarians to invest in people by creating sustainable, measurable and long term economic improvements in their communities and livelihoods by :

- ☞ Building the capacity of entrepreneurs, community leaders, local organizations, and community networks to support economic development in impoverished communities
- ☞ Developing opportunities for productive work
- ☞ Reducing poverty in under-served communities
