BRITISH STATESMAN  
PRIME MINISTER OF THE UNITED KINGDOM  
OFFICER OF THE BRITISH ARMY

*Famous Rotarians*

## Sir Winston Leonard Spencer Churchill

(30 November 1874 – 24 January 1965)

Winston Churchill, arguably Britain's greatest **Prime Minister** who led the United Kingdom through the darkest hours of the Second World War (1940 to 1945) and again from 1951 to 1955.

He was awarded **Nobel Prize in Literature** in the year 1953 "for his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values"

Churchill identified the following eight elements of great leadership:

- **A positive attitude**
- **Enthusiasm**
- **Effort**
- **Willingness to change**
- **Courage**
- **Endurance**
- **A strong moral compass**
- **A sense of humour**

As Rotarians we have an opportunity to bring these eight elements of leadership to everything that we think, say and do.

Winston Churchill, a famous wit, once said:  
**"You cannot hope to understand the most serious things in life unless you understand the most humorous."**
