The central segment was the Talk Show, moderated by the seasoned team of PDG Ravindra Prakash Sehgal, PP Vishnu Dhandania, and PP Shankar Ramalingam. The discussion centered around two core themes: the personal Rotary Journey of the honorees and the

motivation behind their Arch Klumph Society (AKS) membership.

PDG Sehgal initiated the discussion by asking the honorees to share their initial exposure to Rotary and their most memorable project experiences.

AKS Rtn. Bhagwan Das Agarwal emphasized how Rotary provided a structured platform for large-scale, impactful service. IPDG AKS Dr. Krishnendu Gupta focused on Rotary's role in professional development and mentorship. He shared how he had all through done social service for the betterment of the underprivileged and throughout his life he believed that if one hand gives the other should not know. Rtn. Dr. Sourabh Khemani spoke passionately about the global reach of Rotary, he said he had joined Rotary after several years after his wife was a rotarian as he was offered a spouse membership by the club. Later on after many years he became a rotarian.

PP Vishnu Dhandania and PP Shankar Ramalingam then steered the conversation toward the honorees' philanthropic commitment to The Rotary Foundation, specifically asking about their decision to become AKS members.

PP Vishnu Dhandania asked what single moment crystallized their decision to contribute at the highest level. The common thread in the responses was seeing the lasting impact of Foundation grants, particularly in the areas of global grants for water, sanitation, and health. PP Shankar Ramalingam inquired about the philosophy guiding their massive commitment.

Rtn. Dr. Sourabh Khemani responded, "Being an AKS member is not about the recognition; it's about being an investor in peace and positive change that outlives us. The Foundation meticulously stewards every dollar." Rtn. Bhagwan Das Agarwal added that the AKS contribution is a responsibility, stating, "It's the ultimate expression of 'Service Above Self'—providing the fuel for the engine of global service." Rtn. Dr. Krishnendu Gupta concluded by noting that The Rotary Foundation guarantees that their legacy will continue to fund life-saving and life-changing projects worldwide.

The discussion provided deeply personal and inspiring insights into the power of Rotary membership and philanthropic giving. The honorees successfully conveyed that their journey to AKS was a natural extension of their commitment to Rotary's values.

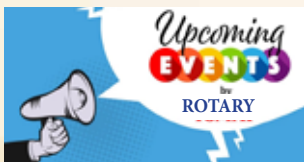

DRFC PDG Utpal Majumdar was present in the meeting and later he spoke about the impact Rotarians contribution brings to the society. He encouraged members to contribute generously to the Rotary Foundation.

A TRIBUTE TO BUBNA JI

It is with deep respect and admiration that I reflect on your impact. You were, and will always be, the epitome of a true Rotarian, and your dedication was a constant source of inspiration to all who knew you.

Every time we met, I felt an immediate, years-long connection and comforting feeling. Our conversations were always warm and personal.

What a beautiful coincidence it was to discover your father-in-law's family once lived in my elder uncle's house in Ballygunj! It was even more remarkable how well you knew my immediate family, including my grandfather. This personal touch is a testament to the man you were.

You are a figure who will be eternally remembered in the Rotary circle, not just for your tireless philanthropic work, but for the genuine, personal connection you maintained with every individual. You had a gift for making everyone around you feel valued and seen.

Thank you for your spirit and your service. You have left an indelible mark on all of us.

With heartfelt respect,

Sharad Dugar

Extremely sad and unfortunate to have lost a great philanthropist, a dedicated and submissive Rotarian with whom I enjoyed fellowship for long long years. His contribution for the Rotary movement will remain embossed. May his soul rest in eternal peace.

Gauri Shankar Sarda

Bubna ji was a down to earth Rotarian who earned respect through his various contributions and achievements. From making & distributing pins of Mother Teresa to Polio gold coins and associating himself with Nurses training to blood donation camps besides arranging umpteen meetings at Bengal Club- Bubnaji was a powerhouse of ideas and enjoyed sharing tokens of memory with others. His coordinating the surgery of the young African girl Baby Miracle through an alert he received from USA was itself a miracle. In September, before puja break, he sent me an enlarged photograph of my visit to RC Metropolitan in Hotel Kenilworth as District Governor- a photo he had preserved for these 25 years. Farewell Bubnaji - you touched many a hearts including mine. Om Shanti

Ravindra Prakash Sehgal

I came in touch with Bubnaji when I was president of the club and he was my AG. I can never forget all round support he extended me during my tenure. I lost touch with him after that but fortunately he joined our club after some years and again I was able to observe him from close quarters. I have always maintained that he was one of the finest human being I have come across in my life. He has been and always be an inspiration to me. May his soul rest in peace.

Ashok Kumar Kedia

Radha Kishan ji Bubna — a towering and unforgettable presence in Rotary.

An octogenarian who lived with purpose, grace, and unwavering commitment, he was far more than a senior Rotarian — he was an institution. My bond with him began in July 1992, during my early days in Rotary, and from then on he remained a guide, a well-wisher, and a quiet source of strength.

As President in 1984–85, he led Metropolitan to its first Best Club Award, a milestone that set the benchmark for all future successes. For him, service was never a slogan — it was action and innovation.

His passion lay in creating livelihoods. He began with training youth in 2-wheeler repairing — an extension of his dealership — offering many not just skill, but opportunity. Later, he devoted himself to nursing training with equal zeal. He also pioneered the club's first Matching Grant, a modest \$1000 partnership with a Japanese club that paved the way for the strong TRF culture we see today.

His commitment to TRF was exemplary — sending a cheque of over Rs. 3 lakhs in one stroke to join the ranks of major donors. Handing him the certification on his bed during my recent visit remains one of my most emotional Rotary moments.

In 2012, when I moved from Metropolitan to Belur, he contemplated following, joined another club, and soon called saying, "I made a mistake... I should have come to Belur." When he finally did, he arrived in a renewed avatar — energetic, enthusiastic, deeply involved. With Pradip Bothra joining later, the three of us — all ex-Metropolitans — rediscovered an old camaraderie.

Age slowed him, but never his spirit. His small, thoughtful gestures continued to enrich our activities. Always impeccably dressed,

always speaking like a true gentleman — a 'saheb' in manner and soul. Everyone must leave someday, but some leave a void no one can fill.

Bubna ji was one such soul.

May God embrace him with love and carry forward his noble values. His legacy will not only be remembered — it will be cherished for generations.

Vishnu Dhandania

BUBNAJI...

He was one man army in Rotary world . . . I say , because of his dedication, because of his sincerity, because of his selfless services, because of his contribution, because of his love, because of his simplicity, because of his motivations, because of his honesty, because of his achievements, because of his truly human nature . . . we have lost one of our greatest pillar , we have lost a true friend , guide and well wisher.

Dil se we pray to God : Om Shanti Om Shanti Om Shanti

Piyush Doshi

Not only is it a irreparable loss to RC Belur, the entire District would miss a real completely dedicated and devoted Rotarian to the cause of Rotary movement. Many times, over the years, He visited our Club as AG. While He was in Metropolitan, Belur participated in many joint projects. During my Presidentship, I remember doing eye surgery in Midnapore area with Metropolitan. At that time, in 2009/10, He was a Member of that club. While he was thinking of changing club, He had invitation from many outstanding clubs. But Bubnaji preferred BELUR. We are really going to miss a wonderful Rotarian friend for ever. Rest in Peace Bubnaji, You would be always in our hearts. With tears, respect and love.

Nirmal Kumar Saha

I have tears in my eyes as I write this : Radha Krishna Bubnaji gave me a wonderful article of mother Teresa to me which I preserve :

Even in last 2 years he would attend meetings with the help of an attendant : I used to tell him i am moved by your commitment.

Shankar Ramalingam

Some peoples' Aura speak when they are around. Bubna Uncleji's Aura was like that. He has left an empty space behind in our club which no one can fill.

My highest regards for him.

He silently did what ever he wanted to do for the world. Will miss his presence always. May he attain moksh.

Om Shanti

Rashmi Patwari

Rtn. Radha Krishna Bubna, as I mingled with him, found him to be a great role model. Speciality about him was his being soft-spoken and unassuming nature. He was an ideal rotarian with true humanitarian spirit. Whenever and wherever he was around, there was a whiff of his fresh fragrance, an unalloyed comradeship. He had a special knack of appreciating and encouraging good in every person around him. He was always forthcoming to contribute in all manners, including money.

I have so many fond and sweet memories, which I will savour. He was a man of many parts and had an eventful life transversing a long journey. He has left his indelible mark in many places and ways. For me, he will always be an inspiration.

RC Belur will be poorer with his demise. However, he will always be in our hearts. I feel sad that I will not be able to join his last journey as I will be out of station.

shanti.

Shiv Kumar Lohia

Albeda...Rotarian Radha Krishna Bubna. He left for his heavenly abode today. A man who left no tables unturned when it came to do good for others. He was truly a Project man. Even when his legs could not take the strain to walk, he used to be on a wheel chair for the Project meets.

Loved & admired by almost all Rotarians. We will always miss him.

Om Shanti.

May his memory continue to inspire those who knew him.

रोटेरियन राधाकृष्ण बुबना जी

रोटेरी परिवार ने अपने एक अत्यंत प्रिय, समर्पित और सेवा-भाव से ओतप्रोत सदस्य को खो दिया।

रोटेरियन राधाकृष्ण बुबना जी एक "प्रोजेक्ट मैन" थे—

जहाँ भी किसी भलाई का अवसर दिखता, वहाँ वे पूरी निष्ठा और प्रतिबद्धता के साथ उपस्थित हो जाते।

शारीरिक सीमाएँ भी उनके जज़्बे को कभी रोक न सकीं।

जब पैरों में चलने की शक्ति कम हो गई, तब भी वे व्हीलचेयर पर बैठकर हर प्रोजेक्ट मीट में पहुँचते—उतने ही उत्साह, उतनी ही ऊर्जा और उतनी ही लगन के साथ।

रोटेरी के लगभग हर सदस्य के लिए वे सम्मान, प्रेरणा और स्नेह का केंद्र थे।

उन्होंने जो कार्य किए, जिन जीवनों को स्पर्श किया, और जिस समर्पण से उन्होंने सेवा को अपना धर्म बनाया—वह सब हमें सदा याद रहेगा।

हम उन्हें दिल से प्रेम करते थे, उनकी ईमानदारी और परोपकार की भावना की प्रशंसा करते थे—

और आज, हम उन्हें गहराई से याद कर रहे हैं।

उनकी स्मृति, उनकी निष्ठा और उनका सेवा-मार्ग आने वाली पीढ़ियों को सदैव प्रेरित करता रहेगा।

उनकी कमी हमेशा महसूस होगी।

ईश्वर उन्हें अपनी दिव्य शरण में स्थान दे।

ॐ शान्ति शान्ति शान्ति

संतोष मोहता

Bubnaji was truly an inspiration. He is the reason I joined Rotary. Every time we met, he would lovingly tell me, "I want you to become a Rotarian." I'm going to miss him deeply. A genuinely inspiring soul... May he stay happy and continue spreading love and affection in heaven too. Will miss you, Bubnaji.

A Pillar of Rotary Club of Belur

Rtn. R. K. Bubna was not just a member of the Rotary Club of Belur—he was one of its strongest pillars and guiding lights. A true Rotarian—compassionate, sincere, and deeply committed to the welfare of society. His life was an embodiment of “Service Above Self.” His commitment to uplifting the community remains an inspiration to all who had the privilege of knowing him.

I had the honour of being introduced to the Rotary Club of Belur by Rtn. Bubna himself, and for that, I remain deeply indebted to him. Beyond being a mentor, he was a source of constant emotional support, encouraging me in every initiative I undertook.

Even during his advanced age and ill health, Rtn. Bubna’s dedication did not diminish. He made remarkable efforts to attend meetings and participate in projects, often arriving in a wheelchair, driven solely by his passion for service. His perseverance and spirit were a source of inspiration for all Rotarians.

He was one of the most senior and respected Rotarians of our club, and his life stands as a shining example of duty, humility, and humanitarian values. He served not for recognition, but out of genuine love for people.

Rtn. R. K. Bubna will be deeply missed, but his legacy will continue to guide the Rotary Club of Belur for years to come.

May his noble soul rest in eternal peace.

In Loving Memory of Bubna Uncle

We remember with deep gratitude and admiration, a true servant of humanity, Rotarian R.K Bubna uncle who left us with deep feelings for him at the age of 90..

A stalwart of Rotary, he embodied the spirit of service, touching countless lives through his tireless efforts. He ignited passion in others, introducing many to the “real service area of Rotary” with small, meaningful gestures – be it calling new members personally for inspecting schools for our WASH project, driving a particular projects like heart surgery to its conclusive stage (picking a project from FB & committing to it in itself is a miracle), supervising training sessions of WASH without asking &

doing follow-ups years after years or sharing stories that inspired to the one who listens.

As Helen Keller said, “Life is either a daring adventure or nothing at all.” Bubna Uncle lived this truth. Even when COVID slowed the world he would drive & go out no matter his age, & when last two years his health started faltering he kept adventuring in Rotary. He never waited for others to support him; he kept going on his own without asking for credit. How can I not remember E-learning project that he literally pushed me into, but in the process made me learn so much & the nursing project he handled almost singlehandedly in the subsequent years.

His enthusiasm for Rotary projects never waned – from making us participate in blood donation drives at Nehru Children’s Museum to distributing medicine envelope with heartfelt enthusiasm. He done all of it even in the current Rotary Year & finally went away peacefully when his body completely gave up.

He always remained active towards the foundation also. Bubna Uncle didn’t wait for others; he led by example. His legacy lives on in the lives he uplifted, the members he mentored, and the kindness he spread.

Who could forget the warmth of him, or hosting us or international rotarians at Bengal Club? All of this he did with heart, with love- Dil Se making every moment count.

We mourn his loss but celebrate his life of service. May his spirit of giving, courage, and love guide us all. Rest in peace, dear Bubna Uncle. Your impact endures. Om Shanti!

Indra Goenka

Deeply saddened by this news. Bubna ji was a humble soul whose actions touched so many lives. His warmth, dedication, and kindness will always be remembered. As a Rotarian he not just keep doing selfless community service work but he also kept motivating other by sharing pins or other soveigniers to complement initiatives of others in Rotary. He personified what Rotary is all about... he Served above Self. He has left behind a space that no one can truly fulfil. Praying for his soul to rest in peace. Om Shanti
