28th December, 2024 Meetings: Commune, 7B, Chowringhee Terrace, Saturdays 3.30 p.m. Vol.:33 - No.7

### December Disease Prevention and Treatment Month

#### TRF Trustee Chair's December 2024 message

December is a time for generosity and reflection when we think not only about our loved ones but about how we can make a difference in the world.

This year, consider giving a gift with an enduring impact, one that extends beyond these holidays, lasting for generations. Gifts to The Rotary Foundation Endowment are extraordinary gifts that create extraordinary change.

By supporting Rotary's Endowment, you help ensure that RI will have the resources it needs to develop and implement sustainable projects today and in the years to come. Members who include the Endowment in estate plans or make an outright gift support that mission.

Imagine your gift helping to fund the drop of vaccine that prevents the last case of polio, eradicating this devastating disease once and for all. Picture it supporting other health initiatives in 2034, 2044, and beyond.

If you make an outright gift today, you will have the opportunity to witness your support in action, working through clean water projects, literacy initiatives, and economic development efforts. These Rotary Foundation-funded projects touch lives across the globe, bringing hope to individuals you may never meet, but

#### District Conference - SAMMELAN

January 3-4-5, 2025 at Eastside Pavilion, NICCO Park, Salt Lake Kolkata

##### Registration Charges:

Rotarians & Guests – Rs. 6,500 per head

Couple – Rs. 12,000 per couple

Please register today, if not done. Form available on Club WhatsApp group

who will know you through your generosity.

Past President Arch C. Klumph, who first proposed an endowment more than 100 years ago, would be amazed not only at the opportunities Rotary has to help today but also at the future possibilities Rotary's Endowment provides.

However, our Endowment is only strong when we all support it. Because it is essential to our success, we have set an ambitious goal: to build our Endowment to \$2.025 billion in net assets and commitments by 30 June 2025. This goal is not just a number; it is a reaffirmation of our belief in Rotary's enduring ability to do good in the world. A fully funded \$2 billion endowment will provide more than \$100 million year after year for Rotary Foundation activities.

I have asked district governors and club

presidents to lead by example before the year's end, but each of us has an opportunity to secure Rotary's legacy of service. Please join Gay and me in planning your estate or outright gift today.

Remember, this is no ordinary gift. Your generosity will provide a legacy for future generations to find solutions in the areas we care about, while creating a ripple of positive change that extends far beyond our lifetimes. What better gift could there be?

**Mark Daniel Maloney**

Trustee Chair 2024-25

## Fighting Disease

At Rotary, we believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

Our members educate and equip communities to stop the spread of life-threatening diseases. Rotary members have hundreds of health projects underway around the world at any given time.
