**Title:** Seminar on Alzheimer Awareness

#### Project Description:

At the request of our club, this seminar on Alzheimer Awareness was conducted by Wg. Cdr. Rtn, DP Sabharwal who belongs to Rotary Club of Bangalore Cantonment (RID 3191). He is spearheading the mission of creating awareness about Alzheimer disease on which he had delivered more than 220 talks during the past four years. He is the founder and Chairman of ADRAG-India (Alzheimer-Dementia Rotary Action Group) and a governing body member of Demetia India Alliance (DIA). For about an hour he talked on the early signs and symptoms of this dreaded Alzheimer disease. The entire audience witnessed his eloquence and his vast knowledge over this time appropriate topic. During his Q&A session he answered all the questions with easily understood examples taken mostly from his personal experience. He has also distributed books and pamphlets to most of the interested attendees for their knowledge. It was a mesmerizing seminar indeed.
