**Title: Water Filter Donation at Bongooghly High School**

**Project Description:**

Water Filter Donation at Bongooghly High School, Kolkata with RCC Kishore Sangha. Water Filter was given to us from the Trust of Rotary Club of Calcutta. Unfortunately, most of the school students belong to the below poverty level, in some cases, a few students do not have the opportunity to stay with their parents due to various socio-economic reasons. Spearheaded by the School Head Master, Mr. Abhijit Mukherjee, quite a few dedicated teachers of this school, in addition to mid-day meals, provide these students as much support as possible from their own pockets. With a view to increasing their student count, school is trying to convert this into a co-educational school. The determination and dedication of the teachers of this school is literally amazing. Everyone present in this event applauded the timely support from Rotary.
