TODAY'S PROGRAMME

405th Regular Meeting and Felicitation of Nation Builders

MESSAGE FROM PRESIDENT 2025-26

Dear Rotarians,

It fills me with immense pride and gratitude to share that our club has successfully completed several impactful social service projects over the past 2 months during July and August 2025. These initiatives—driven by your unwavering commitment and collective spirit—have truly embodied Rotary's motto: Service Above Self.

Highlights of Our Achievements :

- We have signed up with Bengal Obstetrics & Gynecological Society for administering Cervical Cancer Vaccination free of cost to the under privileged and economically weaker section of society for the Girl child between 9 years and 14 years.
- We have conducted Thalassemia Awareness camps at schools and stay committed for screening with a commitment to eradicate Thalassemia from India which is a preventable disease.
- We have run Health Camps with focus on Maternal & Child Health in the slums of Kolkata with great response. We reached over 500 individuals with free medical check-ups, eye screenings, and health awareness sessions in the first month itself.
- We were the first Club in the District 3291 to have contributed in Rotary Foundation India (Polio Plus Fund) acknowledged by District Polio Plus Chair PDG Rtn. Mukul Sinha

Each of these projects was a testament to what we can achieve when we come together with purpose and compassion. I want to extend my heartfelt thanks to every member, volunteer, and partner who contributed their time, resources and energy. Your dedication continues to inspire and uplift.

As we look ahead, I am excited about our upcoming program on 6th Sept 2025 wherein we celebrate the occasion of Teachers' Day by felicitating 6 Educators from reputed schools who have worked hard by dedicating their service in uplifting the quality of students through commitment and grit. As a team, let us carry forward this momentum and continue to be catalysts for positive change in our community. Together, we are not just making a difference—we are shaping a better tomorrow.

Yours in Rotary,
Anindya Dey

MESSAGE FROM EDITOR 2025-26

As the Immediate Past President, it fills me with pride and joy to watch our club evolve — growing into a mature, confident entity, ready to spread its wings and soar to greater heights in the 20th year. Under the able leadership of our President and the dedicated efforts of the team, the club is making meaningful contributions across all spheres of Rotary's vision and theme.

In my role as Public Image Chair and Editor, I believe the newsletter is a vital tool — not only to share the story of Rotary's work but also to inspire awareness and encourage a spirit of service within society.

My heartfelt best wishes to the team for continued success in the days ahead.
