along with other **District Officials**.

Meeting shall be followed with networking and hi-tea.

MESSAGE FROM PRESIDENT

Dear Teammates,

At the outset, I take the opportunity to welcome our District Governor, First Lady & District officials to our club. This year has been fantastic, filled with diverse activities and projects. We are a young, united team dedicated to serving our community and we have undertaken initiatives that align with the District Governor's vision. Projects focussed on healthcare are especially important to us, as our past, present and incoming District Governors are deeply involved in the healthcare sector. There is still a significant need for health support in our country and we believe it is crucial to address these needs.

As a female entrepreneur, I am passionate about innovative ideas and the empowerment of women. Therefore, we have prioritized projects that particularly benefit women. I am grateful to my club members for reposing faith in me for the second time to lead this illustrious

club. I am excited to wrap up this year with great enthusiasm working in the same spirit for the next few months till June 2025 and our incoming team is nearly prepared to dive into the sustainable projects. I wish them all the best!

MESSAGE FROM SECRETARY

It was an honor to perform the role of the Club Secretary for Calcutta Renaissance in the 19th year. Being an Ex - Rotaractor, I tried my best to involve all members in fellowship activities as that creates a strong bond amongst the members. The year saw some innovative projects that the club executed with the help from each and every member who stood by the decision and worked in tandem. Let the fellow feeling prosper further in the coming days and take our club to newer heights.

Shashi Bhushan Verma

PARTICIPATION IN DISTRICT ACTIVITIES

4-WAY TEST AWARD

Rtn. Tushar Maheshwari had been a member of the Rotary Club of Calcutta Renaissance.

Rtn. Tushar & Spouse Shweta Maheshwari had gone to KEDARNATH along with other 13 members of family in June 2013. But due to unfortunate tragedy in Kedarnath, all the 15 members including Shweta & Tushar have been missing and not traceable till today.

Subsequently, the **Shweta-Tushar Maheshwari Charitable Trust** has been operating as per their objectives doing social and charitable activities commemorating the philanthropic spirits of Rtn. Tushar Maheshwari and Spouse Shweta Maheshwari. The activities of the **Rotary Club of Calcutta Renaissance** also cover different service projects of social benevolence.

The Trust intends to give an 'Annual Award on the **Rotary 4 - Way Test**' to a deserving candidate, preferably a member/ associate of the Rotary Movement.

The Rotary Club of Calcutta Renaissance will be organising this special Award Ceremony as a part of their **Installation meeting every year** and will be undertaking a **specific service project** for the welfare of the community, designated to remember their contribution, during the **month of December** every year.

The above has been facilitated by none other than father of Tushar, **Rtn. Mahesh K. Maheshwari**, who is a very senior respectable Rotarian of our District 3291.

Rotary Club of Calcutta Renaissance feels privileged to be associated with this programme.
