VIRANGANA-The Self Defense Program for Girls held on 11th September 2024 at Jodhpur Park Girls High School

RC of Calcutta Samaritans successfully organized the VIRANGANA 24-25 project at Jodhpur Park Girls High School on 11th September 2024 for 84 students. The highlight of the event was seeing the students thoroughly enjoying and engaging with the program, which is a testament to its relevance and impact. This initiative addresses a critical need of the hour, empowering women and girls of our society. The students also immensely enjoyed the sessions by the Nutritionist and the Psychologist, both of them are faculty members of renowned Colleges in Kolkata. The interactive session reflects the interests and involvement of the students in both the sessions. The success of this session inspired us to conduct more such sessions for more beneficiaries.

Literary Month Celebration with Basha, Eazy School Project on 25th September 2024

September being the Literacy month, we, the members of Rotary Club of Calcutta Samaritans on 25th September conducted a project, on EAZY School held at Basha, a school for the underprivileged children at Garcha, run by Saswati Arora and her NGO. We conducted a Sit and draw and Quiz Competition for the children there with 50 Children of different Classes. District Official Rtn Sulekha Ghosh also visited the School and encouraged the children. Some extremely beautiful Artwork were created by the children different ages showing how talented they are. Later mid and senior class students participated in the quiz competition. It was a highly interesting competition and reflected the depth of knowledge of the children. Rapid Fire round was highly charged. The interesting and tricky questions put forth by Rotarian Shraboni Mitra were tackled by the students extremely well. At the end, students were given food packets. We promised to hold the award ceremony later. They all cheered for more such programs.

International Polio Day Celebration on 24th October 2024 Polio Awareness Campaign

24th October being the WORLD POLIO DAY, we from Rotary Club of Calcutta Samaritans of District 3291 in association with Suchetana Social Responsibility Mission, held a Public awareness campaign on Polio at Hatibagan Crossing in front of Star theater. We distributed Polio Awareness leaflets in Bengali and Hindi besides announcing through loudspeakers the necessary information to the local people. Many people came forward expressing their interest and willingness to know in details. The Awareness Drive was conducted through Mikes and Sound System which was very successful since many people gathered to know the details, inspite of the cyclonic weather was going on with thunders and rain. Our Assistant Governor Rtn Sanghamitra Sen and Rtn Subhadra Goho, President, of Rotary Club of Saltlake City also joined with us for this awareness campaign.
