- *India can become totally literate when its adult non-literacy is eradicated. i.e, becomes literate and only then the literacy rate will rise beyond 90%.

RILM's Adult Literacy Program (Education for all) aims to impart functional literacy to non-literate adults (15+ age) across India towards increasing national literacy rate beyond 90%.

RILM is using a two-fold methodology of achieving this goal:

DIKSHA

VIDYA

Each One Teach One (EOTO) Each One Teach Many (EOTM)

RILM along with Schools, Universities, Rotary Clubs, and NGOs, is collectively implementing the program incorporating the respective methods.

RILM invites all Indians, especially students of class VI and above to participate in this program. Together let us make India totally literate by ensuring that every adult in India is literate.

T- Teacher Support-Educate the Educators

E- E-learning-A giant step forward for

E-INDIA

A- Adult Literacy-Dignity through education

C - Child Development-Every child deserves to be in school
