Christmas celebrated annually on December 25, is a sacred religious holiday as well as a worldwide cultural and commercial phenomenon. The middle of winter has long been a time of celebration around the world. Centuries before the arrival of the man called JESUS, early Europeans celebrated light and birth in the darkest days of winter. In the early years of Christianity, Easter was the main holiday. The first recorded Christmas that celebrated the birth of JESUS is often cited as A.D.336. Although some evidence suggests that JESUS' birth might have occurred in the spring (why would sheperds be herding in the middle of winter ?). Pope Julius 1 chose 25 December .The legend of Santa Claus can be traced back to monk named St.Nicholas, who was born in Turkey around A.D.280, gave away all his inherited wealth and traveled the countryside helping the poor and sick, becoming known as the protector of children and sailors.
