### Service Partners of Rotary

**Interact** is Rotary International's service club for young people ages 12 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting.

**Rotaract** is for young professionals between the ages of 18 and 35 years old. Once you are in Rotaract and turn 35, you can then join a nearby Rotary Club and some of our members are in both. 50 years ago, the first Rotaract club was formed to give young adults a place to connect and take action for good.

**Rotary Community Corps (RCC)** is a group of non-Rotarians who share our commitment to changing the world through service projects. RCC members plan and carry out projects in their communities in collaboration with local Rotary clubs. Sponsored by a Rotary club, an RCC leverages Rotary's network, brand, and mentorship by partnering with clubs to plan and implement service projects. RCCs increase Rotary's impact and expand its reach by bringing the knowledge and talents of local people to strengthen their community through sustainable projects.
