THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis, of worthy enterprise and, in particular, to encourage and foster:

FIRST

The development of acquaintance as an opportunity for service;

SECOND

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD

The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Our president Rtn. Nagesh Kenjige has led the team towards realisation of the signature project of the club, rejuvenation of the Gandhi Park in front of the Town Mahila Samaja School. Inside is the MLV Rotary Hall, the place we gather for our regular meetings. Giving back to the community is started in our neighbourhood itself.

As part of the rejuvenation, the walk way was repaired; the compound and railing were cleaned and painted. A small gathering place also useful for meditation had a roof, the flooring was neatly done by installing cement pavers. Some cement seats are also installed for the people to sit comfortably.

To get to the rejuvenation, lot of work needed to be done; the main work was cleaning of the neglected park. Rotarians rose to the occasion to achieve this. On multiple days, members came together and as part of the cleaning drive, cleared the park of debris.
