**“ನಮ್ಮ ನಡಿಗೆ ಗಟ್ಟಿ ನಾಟ ಕಡಿಗೆ”**

Sunday, the 10<sup>th</sup> of August was another opportunity for the members and their family to experience transplanting of paddy to the field.

Some time back, the club had organised an experience of paddy transplanting to Rotarians and Anns on a weekday. There was a discussion about the event. Many members felt that that was a very good experience and it would be worth for the children to experience it.

On those wishes, another transplanting experience event was organised by the President and Secretary at Mr. Ajith's field in Halasumane, near Chikkamagaluru.

This time also, there was an enthusiastic participation by Rotarians and their family with children. Annets and Johns were exposed to the work of farmers to raise the plants and produce food.

The following are the glimpse of the wholehearted involvement by the members and their family in the task of transplanting the paddy to the field.

After the morning work by the members and their family, all of them proceeded to Rtn. Nagesh's uncle house to have a hearty lunch consisting of local delicacies.

Lunch was followed by a visit to nearby Biringi rivulet. That was a good spot in the middle of nature. All of them spent some time and then returned to their homes after a day full of satisfying experiences.

Secretary Rtn. Anand proceeded to Vote of Thanks and a memento was presented to the resource person and speaker Rtn. M.R.Kiran.

Rtn. Kannika and her husband Mr. Amruth are visiting Germany and had an opportunity to exchange flags with Rotary Club of Erlangen, Germany.
