#### **Shelter Box recognizes Rotary with Global Humanitarian Service Award**

**ShelterBox** awarded Rotary International with its first Global Humanitarian Service Award, in recognition of Rotary's outstanding partnership throughout the years during its **20th anniversary virtual event** on 12 November.

Founded in 2000 by a Rotary member in the United Kingdom, Shelter Box provides emergency shelter and essential supplies to help communities through their toughest times. Shelter Box and Rotary officially became project partners in disaster relief in 2012.

Rotary has been instrumental in Shelter Box's growth, helping to transform Shelter Box into an internationally recognized disaster relief charity. The mutual benefits are enormous. Shelter Box receives networking, logistical and financial support from Rotary and, equally, acts as a catalyst in encouraging people all over the world to become involved with their local Rotary club.

Shelter Box CEO Sanj Krikanthan presented the award to Rotary International General Secretary and CEO John Hewko at the virtual event.

"It is with great pride that we celebrate our longest standing partner and the cornerstone upon which Shelter Box is built," said Krikanthan. "Rotary is truly in the DNA of everything we do."

The two organizations have helped over 1.6 million people in 100 countries. More recently, the partnership has delivered lifesaving shelter and aid to families, protecting them from the threat of corona virus.

"This award is for every Rotary member in the world who has ever enabled this life-saving work," said Hewko. "Together, we should take great pride in this achievement of supporting families recovering from disaster and conflict around the world."
