### Get Involved

Join Rotary's 1.4 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

### Rotary Clubs

The heart of Rotary is our dedicated members, who share the ideals of service, friendship, diversity, integrity, and leadership.

Rotary clubs bring together people across generations who wish to create lasting change in the world, in their communities, and in themselves. Rotary and Rotaract members around the world strengthen their connections to friends and neighbours taking action through service. From big cities to rural villages, Rotary is changing communities like yours.

### Club benefits

Your club connection gives you the chance to develop skills like public speaking, project management, and event planning. You'll meet interesting people from your community and around the world. And you'll tackle local and international issues that are important to you and your fellow club members.

Some clubs conduct all or part of their meetings online, for members who have a busy schedule, limited mobility, or live in an area without an established Rotary or Rotaract club. Online clubs, sometimes known as e-clubs, meet regularly, carry out service projects, support The Rotary Foundation, and socialize, like any other Rotary or Rotaract club, without the cost that often comes with meeting in person.

### Our Structure

Rotary is made up of three parts: our clubs, Rotary International, and The Rotary Foundation. Together, we work to make lasting change in our communities and around the world.
