## Stephanie A. Urchick first message as Rotary International President

Urchick, a member of the Rotary Club of McMurray, Pennsylvania, USA, said she saw the magic of Rotary on display when she was helping install water filters in the Dominican Republic. Two boys were watching as dirty water entered the filter, then ran out clean at the other end.

“One of the boys grabbed my sleeve and said, ‘Show me the magic again,’” she said. “Obviously, the water filter wasn’t magic. We worked hard to transport those filters, install them, and work with community leaders in the area to maintain them. But those boys knew that easy access to clean water would change their lives. Knowing that I played a small part in that certainly changed my life.”

## ROTARY INFORMATION

**The Four-Way Test of the things we think, say or do** is a test used by Rotarians world-wide as a moral code for personal and business relationships. The test can be applied to almost any aspect of life. The test was scripted by Herbert J. Taylor, an American from Chicago, as he set out to save the Club Aluminum Products Distribution Company from bankruptcy. It was later adopted by Rotary International, the global federation of Rotary service clubs.<sup>[2]</sup>

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

It is called "The Four-Way Test of the things we think, say or do."

**The ROTARY ACTION PLAN**

## TAKING ACTION FOR CHANGE

We are at a defining moment in Rotary's history. We're implementing our Action Plan, a strategic road map that will help us better connect with each other, grow as an organization, and more effectively share our stories of how we are making a difference in communities.

At every level of Rotary, we have embraced opportunities to work together to achieve our goals. Over the coming four issues, you'll hear from Rotary members around the world who will offer their inspiration, encouragement, and guidance as we carry out the four priorities of the Action Plan.

**IMPACT**  
We want to put our resources behind programs that will have the greatest impact and that align with our areas of focus. We're creating tools and guidelines for tracking and sharing our efforts. We're also developing an evaluation process that will help us make objective recommendations about what is working and what we should continue, start, or stop doing.

**REACH**  
We're committed to exemplifying and embracing diversity, equity, and inclusion (DEI) in everything we do. We're testing new products and alternative models that will allow more people to connect and take action with us in ways that work best for them.

**ENGAGE**  
We're tearing down the walls between "us" and "them" and focusing on participants. We're asking people how they want to participate, finding ways to meet them where they are, and making sure they know we value them.

**ADAPT**  
We're streamlining operations so we can be more agile and responsive. We're simplifying the way we do things and helping members manage change so that our clubs, districts, and zones can more effectively communicate and work together.
