Editor's Word

July is the first month in the Rotary Calendar Year and its also known as the 'Transition Month' - A month to celebrate New Leadership in Rotary.

As I observed, Leadership in Rotary is a challenging endeavour. Uniting all members and fostering collaboration can be a herculean task for any leader. It requires patience, empathy, wit and strategic guidance to ensure everyone's voices are heard and contributions valued.

This month we witnessed the installation of our new President Rtn. Sumi Subbiah C along with her team, in a grand gala event, and a few more projects marking the beginning of her tenure and initiate her term in office.

With fresh leadership, lets acknowledge the challenges they may encounter, and support them in their efforts to Unite us, Inspire us and drive us forward in our shared mission within Rotary.
