## The Significance of the District Governor's Official Visit.

The District Governor's (DG) visit is more than just a formal requirement; it is a momentous annual festival for any club. This mandatory visit serves as a vital touchpoint between the district leadership and our local members.

The Governor's visit is structured into three distinct and essential stages:

**The Executive Session (Closed-Door Meeting):** This is an intimate strategy session where the District Governor meets with the Club President, Secretary, and the President-Elect. It ensures that the leadership team is aligned with both district and international goals.

**The Club Assembly:** This is perhaps the most critical stage of the visit. During the Assembly, the DG reviews the club's various activities, including our contributions to The Rotary Foundation (TRF) and our Membership Development progress. It serves as a "health check," allowing the DG to evaluate our performance and provide guidance for future growth.

**The Public Function:** The visit concludes with a public-facing event. Here, the DG works to bolster the club's public image by highlighting Rotary's commitment to community service. This stage celebrates our collective dedication to "Service Above Self" and our ongoing contributions to the betterment of mankind.

Warm regards,

**Rtn. Krishna Kanchan**

## THE ROTARY 4-WAY TEST

1

Is it the truth?

2

Is it fair to all concerned?

3

Will it build goodwill and better friendships?

4

Will it be beneficial to all concerned?
