FOUNDATION FUNDING

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we tap into a global network of Rotarians who invest their time, money, and expertise in Foundation priorities, such as eradicating polio and promoting peace.

TYPES OF FUNDS

World Fund

World Fund gifts are unrestricted providing flexibility to be used where it is needed most.

World Fund is the primary funding source for global grants which support large international activities with sustainable, measurable outcomes in Rotary's areas of focus.

Annual Fund-share

Annual Fund-SHARE is the primary source of funding for a broad range of local and international Rotary Foundation activities.

Every Rotarian, Every Year (EREY) is the fundraising initiative designed to encourage support for the Foundation's Annual Fund. EREY aims to engage every Rotary club member by:

- Encouraging members to contribute to the Annual Fund every year
- Encouraging them to participate in a Foundation grant or program every year

Through the SHARE system, contributions to The Rotary Foundation are transformed into grants for projects that change lives.

At the end of every Rotary year, contributions to the Annual Fund-SHARE from all Rotary clubs in a district are directed into two funds:

- Fifty percent is credited to the World Fund.
- Fifty percent is credited to the District Designated Fund.

The Foundation uses the World Fund portion to pay for the worldwide grant and program opportunities available to all Rotary districts. Rotary districts use the District Designated Fund portion to fund the Foundation grants and programs of its choice.

The Rotary Foundation's funding cycle makes district contributions available for use three years after they are received. The three-year cycle gives districts time to plan projects and activities and allows the Foundation to invest the contributions.

The district Rotary Foundation committee decides how to use the District Designated Funds in consultation with the clubs in the district. Districts may use up to 50 percent of their fund (which might also include spendable earnings from gifts to Endowment Fund-SHARE for a district block grant; the remainder may be used for global grants or be donated to PolioPlus, Rotary Peace Centers, pooled endowed funds, World Fund, or another district.

District Designated Funds empower Rotary district to undertake the projects that are most important to Rotarians in its area. Contributions to the Annual Fund-SHARE provide District Designated Funds for the future. Therefore, clubs and districts should set and review fundraising goals in Rotary Club Central to track and increase the financial resources available to them for Rotary Foundation grants and activities. In addition to SHARE, donors may direct their Annual Fund contributions directly to the World Fund or to one of the Foundation's six areas of focus. Annual Fund contributions directed to the World Fund or an area of focus are credited toward a club's annual giving goal and per capita giving, but they do not generate District Designated Funds. These contributions are eligible for all Annual Fund recognition opportunities, including Every Rotarian, Every Year; Rotary Foundation Sustaining Member; Paul Harris Fellow; Paul Harris Society; Major Donor; and Arch Klumph Society. They also count toward all club recognition opportunities. Annual Fund-SHARE contributions are the primary source of funding for Foundation grants and are
