2024 -25 THEME ADDRESS

RTN MD STEPHANIE A. URCHICK, ROTARY INTERNATIONAL PRESIDENT 2024-25

(continued from Last issue)

Peacebuilding is one of my top priorities, and this IA is more than your introduction to the role of District Governor. It's a call to action to support Rotary's peacebuilding programs and initiatives.

One of those programs is the Rotary Peace Fellowship — a product of The Rotary Foundation that began more than 20 years ago to help peace and development of professionals to end and prevent conflict.

We offer the fellowships through our Rotary Peace Centers located at leading universities around the globe. More than 1,800 peace fellows have graduated from Rotary Peace Centers and are working in more than 140 countries toward a better world.

And thanks to a US\$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center in Bahçesehir University in Istanbul, Turkey.

The first class of fellows will arrive in Istanbul in early 2025. To mark this occasion, Rotary members, Rotary Peace Fellows, Positive Peace Activators, and others will be invited to attend a Rotary presidential peace conference planned for February 2025.

The theme of the conference (not our annual theme ... that's coming soon) will be Healing in a Divided World. This conference will focus on Rotary's peace efforts and provide opportunities to learn together.

You'll hear more about the peace conference at our convention in Singapore. I can't wait to see all of you there!

But there's so much more you and members in your districts can do to promote peace in the meantime. Members who want to spread hope for peace in their community can plant a Peace Pole in the local park, playground, or any community space. And one of my favorite tools for peacebuilding is The Four-Way Test. We would live in a better world if every Rotary member truly lived The Four-Way Test instead of simply reciting it.
