Between you and me...

Dear Rotarians,

Yours truly had the unique distinction of participating in the 3rd part of the Rotary leadership Institute held at Mysuru on Sunday, the 20th of October 2024 at Mysuru. The Rotary leadership Institute is a grassroots training program which helps all Rotarians to know more about Rotary. However this program has not been recognized by RI as a structured training program of RI. I hope that RI would recognize RLI as a proper structured training program in the future. Yours truly has sponsored the October issues of Centor. We thank him for his generosity!
