PRESIDENTIAL MUSINGS

August turned out to be a historic month. India successfully landed on moon and our **Chandrayaan-3** lunar mission created history by becoming the first country to land near the South Pole of the moon. Kudos to our scientists from ISRO. With respect to Rotary activities, our kind hearted Major Donor Rtn Suraj Hebbar sponsored a scholarship for

a needy rural student, which is very much appreciated. We have continued with our project of providing nutritional kits to the TB patients. It is heartening to know that these patients are showing improvement in their health and are gaining weight. This gives us the satisfaction of accomplishment of a meaningful project.

We also had a fantastic fellowship meeting. The Potluck dinner held on 19th August rekindled the bonding between the family members of our club. All the Rotarians, Anns and Annets participated enthusiastically. We had variety of homemade mouth-watering dishes along with variety entertainment with lot of singing, dancing and quizzing. It was indeed a fun filled evening. Icing on the cake for the evening was felicitation of a War veteran – PO (Navy) Shri Sudhir Pai. He made us aware of the opportunities existing in defence forces and encouraged our youngsters to take up career in defence.

I congratulate PHF Rtn Umesh Gatty to become a new PHF member from our club. I also urge our other members, who are not yet PHF to contribute to TRF and to become PHF soon.

We had the opportunity of listening to the importance of networking from Shri Sunil Dath Pai, BNI-Inspire Charter President and about the importance of structural engineering from our member Rtn. Eknath Dandekeri

"Scholarship to the needy student"

8th August, 2023

Educational expenses amounting to Rs.10,500/- of Master Sweekrith M.S., Student of Third Standard in St. Savio English Medium Primary School, Bendrala, Thotathady, Belthangady was borne by our club. Major Donor Rtn Suraj Hebbar sponsored the above expenses.

"DISTRIBUTION OF NUTRIENT KITS TO T.B. PATIENTS"

17th August, 2023

Our Club continues the project of distribution of nutrient kits to the needy T.B. patients this month too. Rtn Dr. Savitha Gatty distributed them to the beneficiaries at PHC, Bondel.

It is heartening to know that these patients are showing improvement in their health and are gaining weight. This gives us the satisfaction of accomplishment of a meaningful project.

"FELICITATION OF A WAR VETERAN"

19th August 2023

Rotary Club of Mangalore Downtown celebrated Indian Independence Day by honouring a well known Ex-Serviceman Shri Sudheer Pai M, Veteran PO (Indian Navy). He was the participant in the operations against LTTE and also in 'Operation Talwar', a naval operation launched against Pakistan during Kargil War. During the occasion he spoke about the opportunities and importance of defence and also urged the younger generation to take up the career in Defence forces and to serve the nation.

"Long years ago we made a tryst with destiny, and now the time comes when we shall redeem our pledge, not wholly or in full measure, but very substantially. At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom."

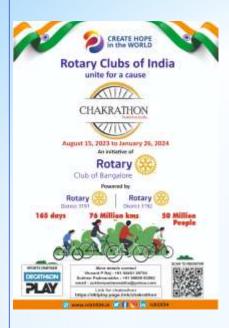

-Jawahar Lal Nehru

INDEPENDENCE DAY CELEBRATIONS

Independence Day Celebrations

19th August, 2023

The Indian Independence Day was celebrated with much pomp & gaiety at Rotary Bal Bhavan. Mannagudda. the On occasion, the Potluck dinner organised which was rekindled the bonding between the family members of our club. All the **Rotarians.** Anns and Annets participated enthusiastically. We had variety of homemade mouth-watering dishes along with variety entertainment with lot of singing, dancing and quizzing. It was indeed a fun filled evening. Icing on the cake for the evening was felicitation of a War veteran – PO (Navy) Shri Sudhir Pai. He made us aware of the opportunities existing in defence forces and encouraged our youngsters to take up career in defence.

ROTARY INFORMATION DEFINITION OF ROTARY

How do you describe the organization called "Rotary"?

There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people an many more descriptive qualities.

In 1976 the Rotary International Board of Directors was interested creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relation Committee and requested that a one-sentence definition of Rotary be pre pared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

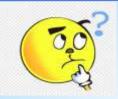

"Rotary is an organization of business and professional person united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

ROTARY INTERNATIONAL PRESIDENT NOMINEE FOR 2025-26

Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, has been selected to become Rotary International President for 2025-26. He will officially become the nominee on 15 September if no other candidates challenge him.

De Camargo plans to boost Rotary's public image by working from the top down.

"Rotary today has strong competition for members and funds," he says. "We need to rejuvenate the brand, especially in some zones. We should utilize post-pandemic Meeting tools to allow the president to address Rotarians

Mário César Martins de Camargo to allow the presi

all over the globe. We also need to develop more long-term partnerships with political, community, and business leaders. Let's emphasize our greatest asset: 1.4 million volunteers."

He also hopes to improve Rotary's process for appointments and governance.

"Rotary should adopt a more transparent system to appoint volunteers for positions, with clear criteria and data-based evaluation of results," he says.

De Camargo was president of Gráfica Bandeirantes and has been a consultant to the print industry in Brazil. He has also served as president and chair of several printing and graphics trade associations, including the Brazilian Association of Graphic Technology and ABIGRAF, the Brazilian Printing Industry Association.

He has served on the board of Casa da Esperança (House of Hope), a hospital sponsored by his Rotary club that serves 150,000 children with disabilities every year.

De Camargo studied in the U.S. and Germany and holds degrees from EAESP-Fundação Getulio Vargas in business administration and Faculdade de Direito de São Bernardo do Campo in law.

A Rotarian since 1980, de Camargo has served Rotary as director, trustee, RI learning facilitator, committee member and chair, and task force member.

De Camargo and his wife, Denise, are Major Donors and Benefactors of The Rotary Foundation.

SEPTEMBER – BASIC EDUCATION & LITERACY MONTH

September is Basic Education and Literacy Month for Rotary. This is one of Rotary's six areas of focus. We all know how critical reading and writing are for success in life – for gaining information, communicating, making agreements, and so forth. Enhancing Basic Education skills and Literacy are essential in reducing poverty, improving health, encouraging community and economic development, and promoting peace. Improvements can reduce maternal death, improve childhood survivability, and reduce poverty. They can also enable success in business or a profession.

Rotary's goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

Projects undertaken by a Rotary Club can address low adult literacy, returning youth to school, enhancing student performance, or supplementing limited school resources. The Rotary Foundation supports education through scholarships, donations, and service projects around the world.

We, Rotarians, could *Create Hope in the World* by supporting basic education and literacy in our community or somewhere else in the world.

"Literacy in itself is no education. Literacy is not the end of education or even the beginning. By education I mean an allround drawing out of the best in the child and man-body, mind and spirit."

- Mahatma Gandhi

SMILEO.K. PLEASE

Two old ladies Kamala and Vimala were talking about their grandchildren.

Kamala said: 'Each year I send each of grandchildren a card with a generous cheque inside. I never hear from them.... Never receive a thank you message.:

Vimala replies: "I too send my grandchildren a very generous cheque. I hear from them within a week after they receive it. In fact, they pay me a personal visit."

"Wow! How come?" remarked Kamala.

"Very simple solution.... I don't sign the cheque".

Indian Judiciary System

Judge: You must be ashamed of yourself. You are 80 years old and the charge on you is that you winked at a girl.

Man: Excuse me, Your Honour. I winked at the girl when I was 20 years old and the case has come for hearing now.

My spiritual journey

I became a bit spiritual this morning. So, I closed my eyes and sat still and started thinking:

- 1. Who an I?
- 2. Where did I come from?
- 3. Why have I come?
- 4. Where to go?

Then came my wife's voice from the kitchen: 'You are such a lazy chap don't know from which world you have come to spoil my life. Now get up and go to take a bath.

The complete knowledge of all four questions was attained with ease and marked the completion of my spiritual journey.

ROTARY INTERNATIONAL PRESIDENT'S MESSAGE – SEPTEMBER 2023

The International Day of Peace takes place 21 September. The United Nations General Assembly declared this a day devoted to strengthening the ideals of peace through observing 24 hours of non-violence and cease-fire.

It is not enough, as People of Action, to simply avoid making war. If we are to *Create Hope in the World*, we must aggressively wage peace. Where can we begin? There are countless armed conflicts around the world, and the global population of displaced people is higher than ever. The opportunities are nearly limitless, but the cycles of violence and hardship seem endless.

My advice is to start small but think big. I look to Rotary members in Pakistan and India for inspiration. In March 2020, about 50 Rotary members from Pakistan met about 50 Rotary members from India at Kartarpur Sahib, a shrine in Pakistan. The sanctuary honours Guru Nanak, the founder of Sikhism, a religion practiced in both countries. Tensions between the two countries barred many religious pilgrims from India from visiting the shrine. That is, until Pakistan opened a visa-free pathway to them in 2019.

Earlier this year, Rotary members from opposite sides of the border again met at the shrine, this time with about twice as many participants.

Any work toward building peace needs to be brave and bold. What these Rotary members have done is just that. The Pakistani government took an important step toward peace when it admitted Indian pilgrims to the Kartarpur Sahib shrine, but Pakistani Rotary members took the next step when they welcomed Rotary members from India as friends and family. That is Positive Peace at work. These peacebuilders did not stop there. Club representatives at this year's meeting signed twin club certificates to recognize their long-term commitment to continue to learn from each other and to work together on more peacebuilding efforts, and they have held joint meetings via video chat.

The importance of communicating with and learning from another culture cannot be overstated, and Rotary is making it even easier to do so. One way of engaging in cross-cultural dialogue and building relationships across borders is through virtual international exchanges that build on our current programs and make them more accessible.

A virtual exchange uses online platforms to connect people from different parts of the world so they can share their traditions, priorities, values, and more. Virtual exchanges can serve as a window to another part of the world through activities such as teaching a digital cooking class, learning a new language, or even designing service projects with a global impact.

These online chats have the potential to inspire new connections and more respect between societies. Taking that knowledge and using it to better the lives of our fellow human beings is the next step.

Let's see where it takes us.

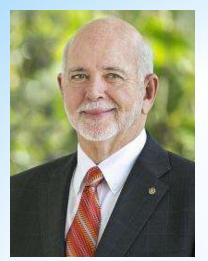

R. Gordon R. McInally President 2023-24

TRF TRUSTEE CHAIR'S MESSAGE- SEPTEMBER-2023

When was your Rotary moment? It's when you realize that being part of Rotary means more than just showing up for a meeting, when you discover you are part of something that changes the lives of others as it changes yours.

I will never forget the moment when I learned about Daniel, a Haitian child. Rotary Foundation Trustee Greg Podd, who at the time was serving with me on an RI committee, had been trying to get Daniel on a plane for urgent heart surgery through the Gift of Life program. But Daniel couldn't get the visa to travel, and doctors had given him only months to live.

When Greg told me this, I remembered that Gift of Life was operating in Haiti and we could do the surgery there. This was on

a Wednesday. Greg helped get ahold of Daniel's medical records. The Gift of Life surgeon I knew — who visited only once or twice every month — happened to be in Haiti. By Thursday, the surgeon had looked over the medical charts and told us that he could repair Daniel's heart but said he was traveling soon. We had to get Daniel to a medical facility by Friday morning.

Daniel and his parents rode 90 minutes on a scooter through the bumpy roads of rural Haiti to get to the facility, and the surgeon successfully performed the procedure. Thankful, Greg and I moved on to other projects.

A few months later, I got an email with a picture of Daniel. I will never forget his smiling face, despite the foot-long scar running down his chest, and what he wrote: "I know you helped me. You saved my life. Thank you."

On behalf of Daniel and countless others, I am passing along that gratitude to all Rotary members who have helped or will help this year.

The beauty of Rotary, especially with The Rotary Foundation, is that we can create these Rotary moments anytime. Just reach out to others in Rotary and discuss our work. Our caring network, our dedicated volunteers, and available resources will take care of the rest.

If two people can make such a difference, imagine what we can accomplish by working together in larger groups through The Rotary Foundation. Picture the impact of clubs within a district joining forces for a Foundation district grant to boost literacy, or two districts from different parts of the world transforming a community through a water, sanitation, and hygiene global grant.

If you haven't discovered your Rotary moment yet, keep searching. Serving Rotary through our Foundation is a great place to find it, and it will change your life.

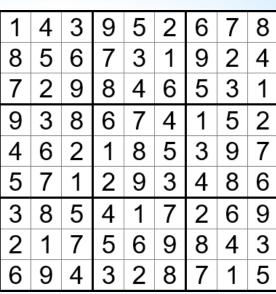

Barry Rassin Trustee Chair 2023-24
