PRESIDENTIAL MUSINGS

Dear Downtown Family,

March was a celebration of *Women Power*, a time to acknowledge strength, resilience, and the invaluable contributions of women in our society. In this spirit, we organised a day-long programme for nearly 200 girl students from various Government hostels, engaging them in meaningful and enriching activities aimed at empowerment and inspiration. We also had the privilege of hosting a joint meeting with Rotary Club of Mangalore Hillside, featuring an insightful talk on “*Women – An Indian Perspective*” by an eminent speaker. Both these initiatives reflected Rotary’s deep respect and commitment towards uplifting women and recognising their enduring resilience.

Adding further value to the month, our members benefited from engaging sessions on *Lifestyle and Health* as well as *Digital Narratives for Small Businesses*, delivered by experts in their respective fields. These talks were both informative and inspiring, and I trust they were well received by all.

On the project front, we are delighted to share that one of our flagship initiatives for the year—donation of medical equipment to District Wenlock Hospital under CSR funding—is in its final stages. We look forward to formally handing over the equipment in the coming days, marking a significant milestone in our commitment to community service.

With warm Regards,

Rtn PHF Sathyajith Rao
President

“INTERNATIONAL WOMEN’S DAY”

8th March , 2026

This year, **International Women’s Day** was celebrated in a truly unique and meaningful way. In association with **JCI Samrat and Swastika National Business School**, we organised **“HER Summit – Honouring Empowered Resilience”**, a day-long programme dedicated to empowering girl students from various hostels across Mangalore. The event was held at the scenic **Swastika Waterfront**, near **Sultan Battery**, bringing together enthusiasm, learning, and inspiration.

The programme commenced with an energetic and fun-filled evening of **outbound activities**, featuring engaging games and interactive sessions that encouraged teamwork, confidence, and camaraderie among the participants. This was followed by an inspiring **Power Talk by RJ Nayana**, who shared motivating insights and experiences with the young audience.

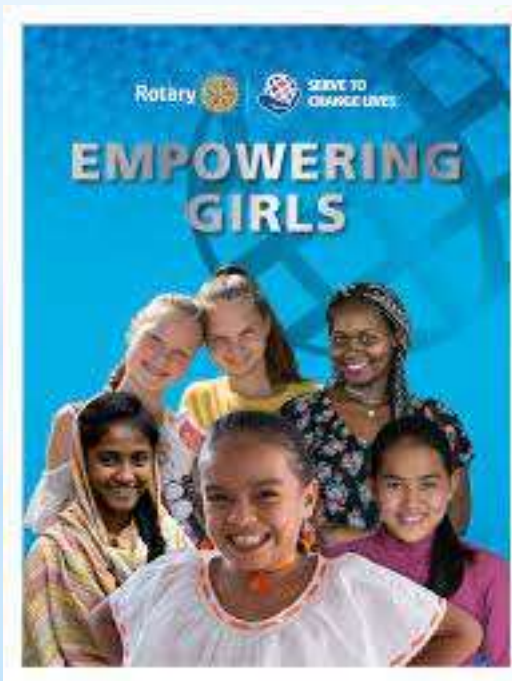

A highlight of the summit was the thought-provoking Panel Discussion, moderated by **Raghavendra Holla**. The esteemed panel comprised distinguished personalities including **Ms Geetha Kulkarni (ACP)**, **Ms Komal Prabhu of Maharaja Group**, **Dr K. T. Shwetha of Anirveda Foundation**, and **Dr Nagaveni Manchi, Retired Kannada Professor**. Their insightful perspectives on resilience, leadership, and empowerment deeply resonated with the participants. The event concluded with a valedictory ceremony, where winners of the various activities were felicitated and prizes were distributed, celebrating their enthusiasm and achievements.

“EMPOWERING GIRL STUDENTS”

8th March , 2026

In harmony with Rotary’s enduring motto of empowering women, our club, in collaboration with Swastika National Business School, proudly undertook an initiative to equip 15 young women with essential two-wheeler driving skills—fostering confidence, independence, and a spirit of self-reliance.

“DASHA SAMBHRAMA”

“Dasha Sambhrama” – the 10th Rotaract District Conference of RID 3181 was successfully held in Mysuru from 28th February to 1st March 2026.

We are proud to share that three enthusiastic Rotaractors from the Rotaract Club of Swastika National Business School — Rakesh, Gaayana, and Srinidhi — represented our club and actively participated in this vibrant district gathering.

Their presence at the conference reflects our club’s continued commitment to leadership, learning, and fellowship within the Rotaract family.

INAUGURAL MEETING OF OUR ROTARACT CLUB

The inaugural meeting of the ***Rotaract Club of Swastika National Business School*** was successfully held on 23rd March 2026, jointly with the ***Rotaract Club of Mangalore Swastika***. The session served as an engaging ice-breaker, where key aspects such as the frequency of meetings and operational modalities were thoughtfully discussed.

Our club was represented by Rtn. Suraj Hebbar Neria, while Rtn. Dr. Ranjan Rao and Rtn. Canute Pinto represented the Rotary Club of Mangalore City. The meeting set a positive tone for collaboration and meaningful engagement in the days ahead.

"You don't have to be great to start, but you have to start to be great."

– Zig Ziglar.

ROTARY INFORMATION

Impact of First World War on Rotary's International Expansion

The First World War had a profound impact on Rotary's international expansion, representing both a challenge and an opportunity.

During the conflict, Rotary's growth in Europe slowed significantly.

International communications were disrupted, existing clubs were often isolated, and many Rotarians were mobilized for the war effort, halting development initiatives.

However, the war also strengthened Rotary's belief in the importance of international understanding and peace.

After the conflict, Rotary experienced rapid expansion, particularly in Europe.

In a continent seeking reconstruction and determined to prevent future wars, Rotary's ideals of service and international cooperation found strong resonance.

New clubs were established in countries such as France, Germany, and Italy, often with the support of American Rotarians involved in postwar reconstruction.

The war also influenced Rotary's growing commitment to international humanitarian projects, addressing reconstruction needs and supporting war victims.

This experience reinforced Rotary's dedication to global peace, positioning it as an early actor in citizen diplomacy and transforming it into a truly international movement.

EVENTS THAT JUST HAPPENED

“SPARK”

“**Spark**” – **Pre-PELS, SELS & ZLLS**, a learning seminar for the President-Elect, Secretary-Elect, and Zonal Leader-Elect for the year 2026–27 from Zones 1, 2 and 3, was held at the Ajantha Business Centre, Mangalore, on 1st March 2026.

During the seminar, several insightful sessions were conducted highlighting the roles, responsibilities, and expectations of the incoming office bearers, equipping them with the knowledge required for effective leadership in the coming Rotary year.

From our club, **President-Elect Rtn Umesh Gatty** actively participated in the programme.

The Downtowners

POWERLIFTING CHAMPIONSHIP

Our member **Rtn Umesh Gatty** was one of the Guest at South India Sub-Junior, Junior & Open Powerlifting Championships-2026 held on 7th & 8th March, 2026 at Bengaluru.

ಮಹಿಳಾ ಸತತಕಾಲಕ್ಕೆ ಉತ್ತೇಜನ ಸಮೇಶನ

NOTABLE ROTARIANS AROUND THE WORLD

POPE FRANCIS

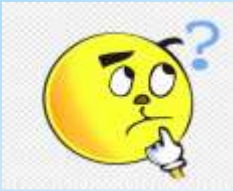

Pope Francis (17th December 1936– 21st April 2025) in 1999 when, as Cardinal Jorge Mario Bergoglio, became an honorary member of the **Rotary Club of Buenos Aires**. He is the first pope to hold such a membership and

has continued to engage with the organization to promote peace, compassion, and humanitarian efforts. On April 30, 2016, Pope Francis welcomed nearly 9,000 members of Rotary from around the world to a special audience at the Vatican, acknowledging their work on polio eradication and other humanitarian causes.

March reflections

“Lifestyle & Health”

Rtn Prof. Dr. Shivaprasad K (BSc., BHMS., MD) of Rotary Club of Mangalore North — a distinguished homoeopathic physician, academician, and administrator with over 35 years of rich teaching and clinical experience — delivered an enlightening and thought-provoking talk on **“Lifestyle and Health.”**

He eloquently explored the nuances of modern-day lifestyle practices and their impact on emerging diseases. Emphasizing the true essence of health, he highlighted that well-being is not merely the absence of illness, but a harmonious balance of physical, mental, social, and spiritual wellness.

Dr. Shivaprasad also underscored how subtle yet consistent changes in our daily routine can help prevent and manage common health concerns such as diabetes, blood pressure and hypertension.

The session was highly interactive, with members enthusiastically engaging in discussions and raising insightful questions, making it both informative and inspiring for all present.

March reflections

“Woman – An Indian Perspective”

Rotary Club of Mangalore Hillside, in association with Rotary Club of Mangalore Downtown, celebrated **International Women's Day** on 11th March 2026 at Rotary Bal Bhavan. On this special occasion, all the Lady Rotarians and Anns from both clubs were honoured with thoughtful gifts in recognition of their invaluable contributions and dedication. Our Past President Rtn. Pranita Shenoy formally introduced the Chief Guest for the evening.

The guest speaker, **Ms. Kumudini Shenoy**, delivered an inspiring talk on **“Woman – An Indian Perspective”** Her insightful address highlighted the concept of women's empowerment and shed light on the esteemed status and respect enjoyed by women in Indian society since time immemorial.

The programme also provided a wonderful opportunity to strengthen camaraderie with our neighbouring club and to enhance fellowship among Rotarians and their families, making the celebration both meaningful and memorable.

March reflections

“DIGITAL NARRATIVES FOR SMALL BUSINESSES”

Mr. Varun Prabhu, Co-Founder of ExubrandD and a dynamic young entrepreneur, delivered an insightful and highly engaging talk on **“Digital Narratives for Small Businesses”** during our weekly meeting held on 24th March 2026. He eloquently highlighted how Artificial Intelligence tools can be effectively leveraged to enhance small and medium-scale businesses, while also shedding light on their advantages and limitations.

The session was interactive and thought-provoking, with members actively participating and raising pertinent questions. We were also pleased to have a few members along with their Teacher Coordinator from the Rotaract Club of Swastika National Business School in attendance, who gained valuable hands-on exposure to the conduct of a Rotary meeting.

APRIL – ENVIRONMENT MONTH

April holds a special significance in the Rotary calendar as we celebrate the Month of Environment — a time to reaffirm our commitment to protecting our planet and promoting sustainable living. Guided by the vision of Rotary International, Rotarians across the globe unite to champion environmental stewardship and inspire meaningful action within their communities.

Rotary and the Environment

Environmental protection is one of Rotary's key Areas of Focus. From conserving water and protecting biodiversity to promoting renewable energy and reducing pollution, Rotary believes that caring for the environment is fundamental to building a healthier and more equitable world.

The month of April also resonates with the global observance of Earth Day, celebrated on April 22 each year. This worldwide movement reinforces the urgent need to address climate change, plastic pollution, deforestation, and water scarcity — challenges that directly impact humanity's future.

Rotary in Action

During the Month of Environment, Rotary Clubs undertake a wide range of impactful initiatives, such as:

-  Tree plantation drives to enhance green cover
-  Water conservation and rainwater harvesting projects
-  Plastic-free campaigns and waste management awareness programs
-  Beach and river clean-up drives
-  Promotion of renewable energy solutions
-  Environmental education programs for schools and youth

Through these activities, Rotarians not only improve their local surroundings but also foster a culture of responsibility and sustainability among citizens.

Better Half

Mr. Rao retired and received a large retirement amount. He deposited ₹20 lakhs in a joint account with his wife and even shared the ATM card PIN with her.

One day, he stepped out for an hour on some work and suddenly realized that he had forgotten his phone at home. He rushed back and was relieved to find it lying on the sofa.

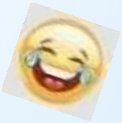

As he sat down, he asked his wife, "Did any call come?"

"She replied, "Yes, the bank called, asking to update the joint account details."

Mr. Rao started sweating and collapsed onto the sofa in panic.

"Did you give them the OTP?" he asked anxiously.

His wife calmly said, "Yes, the bank manager himself called me, so I gave it to him."

Mr. Rao almost fainted. He quickly checked his bank balance on his phone. The ₹20 lakhs were still there.

With a sigh of relief, he asked, "What OTP did you give?"

His wife innocently replied, "The OTP I got was 4042. Since it's a joint account, I gave my half of the OTP—2021."

Mr. Rao felt like he had just come back to life.

No wonder a wife is called '**better half**'.
