## Article of the month

### THE ROTARY FOUNDATION

The **Rotary Foundation** is a non-profit organization that supports the efforts of **Rotary International** to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs . The foundation has spent more than **\$4 billion** on life-changing, sustainable projects since its inception more than 100 years ago . The foundation's mission is to help Rotary members advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty . The foundation is supported solely by voluntary contributions from the public, Rotary members, and friends of the foundation . The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. The Foundation is a not-for-profit organization supported solely by voluntary contributions from Rotary members and friends of the Foundation who share its vision of a better world. This support is essential to make possible activities, funded with Foundation grants, that bring sustainable improvement to communities in need.

Those contributions, gifts and donations are transformed into service projects that change the lives of thousands of people across the world. With 91% of funds spent on the programmes and projects it delivers, The Rotary Foundation, based at the Rotary Headquarters in Illinois, USA, is globally recognised for its financial efficiency, accountability and transparency. Every year, The Rotary Foundation gives hundreds of millions of dollars in grants to Rotary Clubs throughout the world for humanitarian projects, vocational training and scholarships in Rotary's cause areas. Ranging from small-scale, short-term activities to large, international projects, Rotary grants strengthen global partnerships and provide sustainable and measurable benefits to communities. Grants from The Rotary Foundation support thousands of projects every year.

***The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.***

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world.

#### ***Our mission***

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

### *What impact can one donation have?*

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an antibullying campaign and create a safe environment for children.

### *Financial structure*

The Rotary Foundation is organized as a public charity operated exclusively for charitable purposes and governed by a [Board of Trustees](#). The operations of Rotary International, a member organization, are overseen by its [Board of Directors](#). The headquarters of Rotary International and The Rotary Foundation are in Evanston, Illinois, USA. We have associate foundations in Australia, Brazil, Canada, Germany, India, Japan, Korea, and the United Kingdom.

### **POLIOPLUS**

Polio eradication is Rotary's top philanthropic priority. Rotary launched the PolioPlus program in 1985. In 1988, when Rotary began working with its partners in the Global Polio Eradication Initiative, there were more than 350,000 polio cases in over 125 countries. Since then, nearly 3 billion children have been immunized against polio, and the incidence of polio has decreased 99.9%. By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed \$3.1 billion, including \$1.6 billion in matching funds from the Bill & Melinda Gates Foundation. POLIOPLUS GRANTS PolioPlus grants fund global polio eradication efforts in countries where polio is endemic and those at risk for the disease. Grants support immunization campaigns and monitoring of poliovirus transmission. PolioPlus grants are funded from the general PolioPlus Fund and District Designated Fund contributions. Grant proposals are submitted primarily by major implementing partner agencies, such as the World Health Organization and UNICEF. Foundation Trustees consider PolioPlus grant requests at regularly scheduled meetings. POLIOPLUS PARTNERS GRANTS PolioPlus Partners grants support urgent social mobilization and surveillance projects, which are submitted by the national PolioPlus committee chairs in high-priority countries. The grant applications are considered on a rolling basis and are funded from the general PolioPlus fund

### **ROTARY PEACE FELLOWSHIPS**

Rotary Peace Fellowships enable peace and development leaders from communities across the globe to pursue either a master's degree in peace-related fields, such as international development, peace studies, or conflict resolution, or a professional development certificate in peace and conflict studies at one of our Rotary Peace Centers located at premier universities around the world. Fellowships cover tuition and fees, room and board, round-trip transportation, and all internship and field-study expenses. Fellowships are supported by District Designated Funds donated by Rotary districts, directed gifts from individual donors, earnings from The Rotary Foundation Endowment Fund, and, when necessary, funds from the World Fund. Each year, districts promote the fellowship program, recruit candidates, and mentor them to help them submit their online applications to The Rotary Foundation by 15 May. Clubs and districts can also provide recommendations on behalf of candidates. Up to 50 fellows are selected annually to pursue master's degrees and 80 to pursue professional development certificates. The candidates who are selected by the Trustees are notified in November. ROTARY PEACE FELLOWSHIP RESOURCES Rotary Peace Centers' Facebook page: Updates from the peace centers,

## GRANTS

The Rotary Foundation offers grants that support a wide variety of projects, scholarships, and training sponsored by clubs and districts around the world. **TYPES OF GRANTS** District grants District grants are block grants that enable clubs and districts to address needs in their communities and abroad. Districts may request up to 50% of their District Designated Fund for one grant annually to support district- and club-sponsored activities, such as vocational training teams, scholarships, humanitarian service projects, and youth programs that align with the Foundation's mission. Global grants Global grants offer clubs and districts opportunities to participate in strategically focused, high-impact activities. These grants fund largescale international humanitarian projects, vocational training teams, and graduate and postgraduate scholarships that have sustainable, measurable outcomes in one or more of Rotary's areas of focus Sustainability means different things to different organizations. For The Rotary Foundation, sustainability means providing solutions to community needs in such a way that the benefiting community can maintain the activities after grant funding ends. Global grant-funded activities have a minimum budget of \$30,000. Grant sponsors can use a combination of District Designated Funds (DDF), cash, and directed gifts and endowment earnings to fund a global grant. The Foundation will provide an 80% World Fund match for all DDF contributions. The maximum World Fund match is \$400,000; there is no minimum.

Cash contributions are no longer matched by the World Fund, but they can still help finance global grants. Global grant sponsors need to add 5% to their global grant cash contributions to pay the expenses associated with processing those donations. All global grants must be sponsored by two clubs or districts: a host sponsor in the country where the activity takes place and an international sponsor outside that country. When planning a global grant to support a humanitarian project or a vocational training team, sponsors must conduct a thorough community assessment that explores the pressing concerns in the project location as well as the community resources available to address them. The assessment results should inform the project design and need to be included in the grant application. Local Rotary members and program alumni who are experts can offer valuable guidance early in the planning process. Disaster response grants Disaster response grants support relief and recovery efforts in areas affected by natural disasters within the past six months. Qualified districts in affected areas may apply for grants of up to \$25,000, depending on the availability of funds. Districts may apply for additional grants after they report on any previous disaster response grants. Grant funds can be used to provide basic items such as water, food, medicine, and clothing. Districts that request help are responsible for determining the needs in communities affected by a disaster. They should work closely with local officials and community groups to ensure that the funding meets those needs. Disaster of magnitude grants The Trustees of The Rotary Foundation expanded the disaster response grants program to provide greater assistance to people impacted by disasters of magnitude and to appeal to donors. Individual funds created for such disasters are separate from the general Disaster Response Fund. Districts are eligible for grant awards of \$50,000 and can have a maximum of two open grants. For a disaster to be eligible for the creation of an individual fund, Rotary's presence in the impacted

area needs to be strong enough to ensure the successful implementation and oversight of disaster response grants, and it needs to meet at least three of the following criteria:

It is a natural disaster. At least 1 million people are impacted, including physical injury or death, prolonged disruption to services, property damage, psychological distress, or physical displacement. It receives global news coverage. The economic capacity of the impacted area requires outside assistance for short-term stabilization and relief

## FOUNDATION FUNDING

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, we support a global network of Rotary members who invest their time, money, and expertise in Foundation priorities, such as eradicating polio and promoting peace. ANNUAL FUND-SHARE Annual Fund-SHARE is the primary source of funding for a broad range of local and international Rotary Foundation activities. Every Rotarian, Every Year (EREY) is the fundraising initiative designed to encourage support for the Foundation's Annual Fund. EREY asks every Rotary member to: Contribute to the Annual Fund every year Participate in a Foundation grant or program every year Through Annual Fund-SHARE, contributions are transformed into grants that change lives. Contributions to Annual Fund-SHARE are divided as follows: 47.5% is credited to the World Fund. 47.5% is credited to the District Designated Fund. 5% is credited to operating expenses. The Foundation uses the World Fund portion to pay for the worldwide grant and program opportunities available to all Rotary districts. Your district uses the District Designated Fund (DDF) portion to fund the Foundation grants and programs of its choice. The Rotary Foundation's funding cycle makes DDF available for use three years after contributions are received. The three-year cycle gives districts time to plan projects and activities and allows the Foundation to invest the contributions. For instance, 47.5% of the contributions received during 2022-23 are available for spending in 2025-26. Your district Rotary Foundation committee decides how to use the DDF in consultation with the clubs in the district. Districts may use 13 up to 50% of their funds (which might also include spendable earnings from gifts to Endowment Fund-SHARE) for a district grant. Districts may use any amount of their DDF for global grants or donations. Donation options include PolioPlus, peacebuilding programs, pooled endowed funds, the World Fund, the Disaster Response Fund, or another district. Starting 1 July 2026, DDF that has not been used for five years will be directed to the World Fund, unless the district requests that it go to the PolioPlus Fund or to the Endowment to support the Rotary Peace Centers, an area of focus, or the World Fund (but not Endowment-SHARE). DDF empowers your district to undertake the projects that are most important to Rotary members in your area. Contributions to Annual Fund-SHARE provide DDF for the future. Therefore, clubs and districts should set and review fundraising goals in Rotary Club Central to track and increase the financial resources available to you for Rotary Foundation grants and activities. In addition to SHARE, donors may direct their Annual Fund contributions to the World Fund or to any of the Foundation's areas of focus. Annual Fund contributions directed to the World Fund or an area of focus are credited toward a club's annual giving goal and per capita giving, but they do not generate DDF. All Annual Fund contributions count toward Every Rotarian, Every Year; Rotary Foundation Sustaining Member; Paul Harris Fellow; Paul Harris Society; Major Donor; and Arch Klumph Society recognition. They also

count toward club recognition opportunities. Annual Fund-SHARE contributions are the primary source of funding for Foundation grants and are strongly encouraged. **DISASTER RESPONSE FUND** The Rotary Disaster Response Fund can accept cash donations from individuals and clubs, as well as DDF contributions. It is a general disaster-related reserve, and contributions cannot be designated for specific events. Beginning 1 July 2023, contributions to the Disaster Response Fund generate Foundation recognition points and count toward Paul Harris Fellow, Paul Harris Society, Major Donor, and Arch Klumph Society recognition. The Disaster Response Fund is separate from the Annual Fund, and therefore contributions are not credited toward a club's Annual Fund goals, are not applied for SHARE calculations, and do not help donors attain their Every Rotarian, Every Year or Rotary Foundation Sustaining Member status annually.

## ENDOWMENT

The Rotary Foundation Endowment ensures that future Rotary members will have the resources they need to design and implement sustainable projects year after year. The principal of gifts to the Endowment is never spent. Spendable earnings generated from the principal are directed annually to Foundation grants and programs. Gifts to the Endowment support the same programs that the Annual Fund supports, but in perpetuity. Support for the Endowment may be through a current gift, a planned gift in an estate, or a combination of both. **WAYS TO GIVE** Making a contribution Contributions to The Rotary Foundation may be made by credit card at [rotary.org/donate](https://rotary.org/donate). You can also give by check or wire transfer, or through your club, using The Rotary Foundation Contribution Form available at My Rotary. Club officers who sign in to My Rotary can make online gifts for their club or its members. See pages 31-32 for your regional office's contact information. Information concerning gifts of stocks, bonds, and mutual funds is available at [rotary.org/securities](https://rotary.org/securities). Please consult your regional office for more information on ways to give that may be specific to your country or region. With all gifts, be sure to include your member ID to ensure that you get proper credit and recognition. Recurring giving (Rotary Direct) Support Rotary's Foundation year-round by making a recurring gift with Rotary Direct. You choose how much and how often to give. It is a simple and secure way to make a big impact. Online credit card contributions can be made monthly, quarterly, or annually. Donors can also enroll by calling the Rotary Support Center at +1-866-9ROTARY (+1-866-976-8279), contacting their regional office, or writing to [rotarysupportcenter@rotary.org](mailto:rotarysupportcenter@rotary.org). Donors can change or cancel their recurring giving online at any time through My Rotary. After you sign in, select your name on the upper right and go to Account Settings. Then choose the Donor SelfService tab. **15 Submitting contributions for club members** Every Rotarian, Every Year encourages Rotary members to support The Rotary Foundation by making personal contributions to the Annual Fund. To simplify giving for members, many club leaders use The Rotary Foundation Multiple Donor Form to send the contributions of many individuals together while having each person credited separately. Submitting contributions this way also generates individual tax receipts where applicable. The person who completes the multiple donor form affirms that the donors did not receive anything in exchange for their contributions and that they are eligible to receive a charitable tax benefit where applicable. Here are some other suggestions for submitting contributions: Double-check the donor names and amounts. Acknowledge the donation and include the amount donated when you do so. Make sure that donors

know what they have contributed and that they will be receiving a tax receipt (where applicable). Provide donor identification numbers so donors are properly credited for their gifts. For help obtaining this information, contact [rotarysupportcenter@rotary.org](mailto:rotarysupportcenter@rotary.org). A charitable contribution is a personal decision with tax implications, and the decision cannot be made without a donor's knowledge or involvement. Please do not use the multiple donor form if you are making a gift to surprise, thank, or honor someone. Instead, please refer to the section below on memorial and tribute gifts. In some countries, such as the United States, tax codes do not permit charitable deductions for donors if they receive a benefit related to their contribution. U.S. donors should consult the Internal Revenue Service's latest Publication 526 for information. Proceeds from raffles or games of chance are best submitted to The Rotary Foundation as club contributions, without assigning credit to individual members. Assigning credit to the club or district minimizes the chance that tax receipts will be issued to individuals in error.

**Memorial and tribute gifts** If you wish to honor or memorialize someone with a contribution to The Rotary Foundation, please go to [rotary.org/donate](http://rotary.org/donate). Select Donate, choose what you would like to support, and then select "I would like to make this donation in honor or in memory of someone." Donors will receive gift credit and a tax receipt (where applicable). The person they honor or a family member, in the case of a memorial, will be notified of the gift by email if the person or family member's email address is entered accurately by the donor when the contribution is made. The process is simple, and honorees and family members can be notified by email or by a print-at-home notification. For tax reasons, do not send funds to the Foundation in the name of anyone who did not actually provide the funds. People identified as donors could receive tax receipts without having made a contribution, which may put them and The Rotary Foundation at legal risk. Please see the sections about Paul Harris Fellows and Foundation recognition points to learn more about extending Foundation recognition to others. For more information, contact [memorials@rotary.org](mailto:memorials@rotary.org).

**Employee matching gifts** Double the impact of your gift by asking your employer to match your contribution to The Rotary Foundation. More than 15,000 companies match gifts to the Foundation, including many international corporations. Find out if your employer does at [rotary.org/matching-gifts](http://rotary.org/matching-gifts). Contact your human resources department to learn whether your company is eligible for the program. You can send your company's matching gift form directly to us at: The Rotary Foundation of Rotary International Attn: Corporate Matching Gifts 1560 Sherman Avenue Evanston, IL 60201-3698 USA Email: [annualfund@rotary.org](mailto:annualfund@rotary.org) Your employer will receive gift credit and a tax receipt (where applicable) if it chooses to contribute. Learn more about Rotary's employee matching gift program.

**Fundraising for The Rotary Foundation on Raise for Rotary** Raise for Rotary is a platform that allows individuals and teams to create online fundraisers that benefit The Rotary Foundation. They are a great way to celebrate personal events and special occasions. Organizers can share their fundraisers through social media, email, and text so that family, friends, colleagues, and supporters can donate online. Raise for Rotary is available in English and accepts Australian, Canadian, and U.S. dollars. The platform will continue to expand in the coming year.

**17 Fundraising for The Rotary Foundation on Facebook** You can raise funds for The Rotary Foundation using Facebook. Simply select either Rotary International or End Polio Now as your nonprofit and share it with your friends. Funds received through the Rotary International page will support the World Fund, which pays for the Foundation's most urgent needs. Those received through End Polio Now will support polio eradication. Donations made through Facebook, as with other non-Rotary platforms, are combined and can't be credited individually by The Rotary Foundation.
