Namasthe to all my friends in Rotary

A very Happy new year to all members of my Rotary Family. May god shower all happiness and good health to all. Let us forget sadness or any unwanted events that might have occurred during last year. Hope for good things, trust our abilities, be friends with others, understand other's feelings, render selfless services to under privileged peoples. As a Rotarians, these should be our motto.

Congratulations to our elected future leaders Rtn Gopal Shetty and Rtn Raghavendra Nellikatte.

Congratulations to all our members who participated and won prizes at zonal cultural competition and district sports meet held during December.

We have completed six months of Rotary year 2023-24. Rotary District conference "PRAJNA PARVA" will be held at Mysore from 19 th Jan to 21 st Jan 2024. We request all the members to attend the conference.

Rotary is for friendship and fellowship. We had a wonderful dinner meet at Hotel Ocean Pearl on 28-12-2023. Our own member Rtn Dr Subramanyam spoke about Heart Disease and how to avoid such problems. It was very useful to all of us. Thank you all my Rotary family members who had attended the meet.

THE FOUR - WAY TEST of the things we think, say or do

1. Is it the TRUTH ?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

Namasthe to all....A Very Happy New Year

In Rotary January month is designated as Vocational service month. We Rotarians joined the club as representative of our vocational classification, may be professional, service or business. We have dual responsibility of representing our profession in Rotary as well as a true Rotarian at our work place. Vocational service calls every Rotarians to aspire to high ethical standard in our occupation and contribute our vocational worthiness to the problems and needs of the society. One of the central goals of Vocational Service is to promote and advance Rotary's high ethical standards. Two useful tools Rotarians have to assess these standards are The Four-Way Test and the Declaration of Rotarians in Business and Professions. As the 4 way test instructs us, Maintaining ethical standards is ever so important in today's society where we prefer to repeat inflammatory discourse rather than engage in discussion to understand opposing views and seek compromise.

Vocational service month can be celebrated meaningfully by recognizing successful entrepreneurs, professionally service provider ,teachers etc.

Rotary 2023-24 is in second half of the year and the enthusiasm should be there in all the members since District Governor is yet to visit our club. The club will flourish only if every Rotarian is part of the meetings, projects etc with true involvement. Our club is one of the vibrant one in the zone and proved the same time and again. New leaders for the Rotary year 2024-25 and 2025-26 have been already elected. Congratulations to Rtn Gopal Shetty and Rtn Raghavendra Nellikatte. Hope you two make & succeed with magic of Rotary.

That is all

Yours in Rotary

Rtn PRADEEP KUMAR K
