Namasthe to all my Rotary family members,

Congratulations to all who won the medals and also who actively participated in Rotary zonal & district Indoor games. August was Rotary membership development month. During this Rotary year, we had already added 5 new members to our family and hopes to add 2 more within one month's time. It is very pleasing to note the members involvement in all activities of the club. In the month of August new office bearer's were installed for 3 Interact clubs and for RCC Kolya. Thanks to Rtn Jaikumar, Rtn Sadashiv Shetty and Rtn Panchami Shenoy for taking initiations for it. September is designated as Basic Education and Literacy Month. We are planning to do projects with our 3 Interact clubs. There are many Rotary events lined up in coming days at zonal, district as well as international levels. I request all our members to attend these events and let us enjoy the **MAGIC OF ROTARY** every bit.

Yours in Rotary

# Rotary Area's of Focus

## Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

## Fighting disease

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

## Providing clean water, sanitation, and hygiene

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

## Saving mothers and children

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

## Supporting education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

## Growing local economies

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

## Protecting the environment

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.

# Rotary Governance documents

**Rotary's** governance documents provide the structure for Rotary International's policies and procedures.

## Rotary's constitutional documents

The constitutional documents are the primary governing documents for RI. They provide the foundation of RI's policies and procedures for clubs and districts.

1. Constitution of Rotary International
2. Bylaws of Rotary International
3. Standard Rotary Club Constitution

These documents are updated every three years by the Council on Legislation.

## Manual of Procedure

The Manual of Procedure is published every three years to reflect the updated constitutional documents, with the changes adopted by the Council on Legislation. The manual also includes Rotary's Strategic Plan, the Recommended Rotary Club Bylaws, and the Bylaws of The Rotary Foundation. Clubs and districts are guided by the Manual of Procedure.

## Rotary's governance documents

In addition to the constitutional documents, Rotary International and The Rotary Foundation have governance documents that detail policies and procedures. These documents can be updated by the RI Board or TRF Trustees at one of their regular meetings. These documents include:

### Recommended Rotary Club Bylaws

The Recommended Rotary Club Bylaws provide structure and help clubs govern themselves according to RI's policies and procedures. Clubs can tailor the club bylaws, provided their changes align with Rotary's constitutional documents and the Rotary Code of Policies. If you have questions about your proposed changes, please submit them to the general secretary.

### Codes of Policies

The Rotary Code of Policies compiles all of the organization's general and permanent policies. The revised version is available after each meeting of the RI Board and the Council on Legislation. A separate document outlines amendments made to the code whenever it is updated.

The Rotary Foundation Code of Policies is maintained in a separate document. A revised version is available after each meeting of The Rotary Foundation Trustees.

## ROTARY PEACE CENTER

Rotary International and administrators at Bahçeşehir University in Istanbul, Turkey, will begin recruiting fellowship candidates for a new peace center opening at the university. The Otto and Fran Walter Rotary Peace Center will offer experienced peacebuilders based in the Middle East and North Africa the opportunity to complete a one-year professional development certificate program, earning postgraduate diplomas in peace and development studies. The center will bring together peacemakers from across the Middle East and North Africa — people

with different backgrounds and viewpoints, but who share common goals and provide them with the resources and experiences needed to work together to promote peace within the region.

### QUOTES

We accept the need for continuity, realising the president must lead by example and emphasise we are in a relay race, not a solitary sprint.
