Installation Ceremony

Club Event

Installation of President Rtn Rajni Barasia and her Board of Directors 2024-25 @ Ballroom , Lodha World Towers.

Reporter: Rtn. Namrata Parikh

Rotary Club of Bombay Bayview is exhilarated with a successful completion of its 23rd Installation Ceremony held on 21 July 2024 at The Ballroom, Club W, Lodha World Towers, Lower Parel.

By this installation Rtn. Rajni Barasia, known for her full of vim and vigour spirit, formally embarked her journey as our President with her very dynamic board of Directors for their term 2024-2025. During the ceremony, the new Board of Directors was introduced through an engaging AV, where each outgoing board member passed the baton to their successor. This symbolic gesture marked the transition of leadership and continuity within the club, ensuring a seamless handover of responsibilities.

This spectacular installation was graced by a very celebrated Rtn International Director (2023-2025) Mr T.N. Subramaniam (Mr. Raju Subramaniam). Our club was irrefutably honoured to host him as our much esteemed Chief Guest. He is not only been a wonderful Human being and a very learned Senior Advocate and his achievements and commitments to community services need no introduction. He has been an unbridled inspiration to many Rotarians.

We cannot proceed further without the strength of our club: - OUR MEMBERS. Each one of you is the solid foundation of this club with whom success is inevitable. It is each one of you who complete our club and breathe life in it. No ceremony / event / services can ever be fulfilled or accomplished fulfilled without each one of your overwhelming support, abundant love and zestful presences. It gives us immense pleasure to record the outstanding attendance by 189 attendees at this ceremony. This only shows the faith and love that we all have in our club and its members.

The event commenced with National Anthem followed by most melodious and pious Bhakti Ras, which only enhanced the divine's intervention after which we witnessed a wonderful flash back of the year 2023-24 and a brief glimpse of 305 projects worth about 6 Crores successfully executed and implemented by our erstwhile team under the presidency of Rtn. Sameer. Kudos for the very commendable performance.

During the ceremony, the new Board of Directors was introduced through an engaging AV, where each outgoing board member passed the baton to their successor. This symbolic gesture marked the transition of leadership and continuity within the club, ensuring a seamless handover of responsibilities.

Thereafter 14 new young and vibrant (Theme of this Rotary year) members were inducted in our Club and they took Oath.

Rotary never fails to add fun to some serious work. And then the stage was taken over by Funny Bones- Pratik and Pratiksha (wonderful kids of Power Couple Rajni and Pawan Barasia). Needless to mention being supremely grateful for their parents they did not hesitate spilling some hilarious secrets about their mother.

Proceeding further, our visionary President Rajni Barasia sketched out her goals towards manifesting the set stepping stones for a very promising and vibrant year 2024-2025 with the support of her powerful anchors (Board of Directors) and each one of you.

The event reinforced the unwavering faith and belief in the two Pillars of Rotary International- Camaraderie and Collaboration. In less than 15 minutes funds of over 60 lakhs over and above commitment of Rs. 2.1 crores already received were generated with the help of very generous donor members. Rotary is the only platform where a group of diverse individuals and families come together to form a ginormous and a powerful Clan who collectively nurture the ecstatic Rotary structure for community services, networking and building relationships.

Following the Ceremony, all our guest enjoyed scrumptious meal coupled with mocktails, cocktails and lots of laughter, leaving us all with memories we will reminisce for eternity.

Our Rotary Club of Bombay Bayview will continue to provide and uplift underprivileged sections or our society, promote education and health care & support humanity but as we always say together we can and together we will achieve undefeatable success of making lives better. Thanks to all the members for making this journey a continuous celebration.

Last but not the least Hurrah to the entire team who has worked rigorously and selflessly for celebrating this beautiful day in the most flawless and outstanding manner.

Philanthropy embraced at Installation Ceremony by RID Rtn.Raju Subramaniam

Club Event

Annapurna @ Nandadeep Orphanage.

Reporter: Rtn. Pawan Barasia

In a heartwarming gesture that underscores Rotary's unwavering commitment to community service and philanthropy, the Rotary Club of Bombay Bayview organized an Annapurna event at the Nandadeep Orphanage. This event was held in honor of our esteemed Chief Guest, RID Raju Subramaniam, who had graciously accepted the invitation to attend under the condition of receiving no gifts for himself or his wife.

In lieu of traditional tokens of appreciation, we decided to channel our gratitude into an act of service, perfectly aligning with Rotary's core values. The Annapurna event aimed to provide nutritious meals and bring joy to the children at Nandadeep Orphanage. RID Raju Subramaniam applauded this initiative, highlighting it as a true reflection of RCBB's dedication to making a positive impact in the community.

This event not only honored our Chief Guest in a meaningful way but also strengthened our resolve to continue serving those in need. The smiles on the faces of the children and the heartfelt appreciation from the orphanage staff were a testament to the success of this noble endeavor.
