The Rotary Club of Bombay Bayview (RCBB) began the new Rotary year with an insightful guest speaker meeting featuring Mr. Brijesh Singh, IPS. introduced by Rtn. Sanjay Lukka. The event attracted 91 attendees, including members, spouses, and prospective members.

Mr. Brijesh emphasized caution regarding the information and pictures we post on social media. Cybercriminals often target these low-hanging fruits. Cybercriminals take small bites from bank or wallet accounts to avoid panic. They repeat transactions to confuse victims.

Tracing swindled funds is challenging. Hackers split amounts into multiple parts and send them to various bank accounts. Therefore, calling the dedicated "Cybercrime Helpline 1930" is crucial for victims. It helps law enforcement agencies alert UPI wallets in time to recover the swindled money. Interestingly, the money trail often terminates near the Indo-Bangladesh border.

As per new law, victims can also lodge online FIRs for such crimes. If an account is hacked (and the victim hasn't knowingly shared OTPs), compensation up to Rs 50,000 is possible under RBI rules.

He also spoke about Deep Fakes and Zoom Scams extensively. Deep fakes (often used for porn) are detectable with advanced computer vision software. He cited an interesting example of a criminal case involved swindling a million dollars by creating a Zoom call with a morphed CEO.

He informed that WhatsApp messages and calls are well-encrypted, making it difficult for hackers. He, also, elaborated how the dark web remains elusive for law enforcement agencies due to its cat-and-mouse game with evolving algorithms. So, he advised all to avoid the dark alleys of the dark web for quick gains. He also strongly suggested to educate kids and senior citizens about online safety.

Closing Thoughts:

Technology is like fire—it can cook to feed you and also burn you!.

The Netflix series “JamTara,” set in Jharkhand’s phishing capital, offers further insights into cybercrime.

Stay informed and vigilant!

Rtn. Praveen Nijhara Introduced the Speaker and Rtn. Arwa Baldiwala gave the vote of thanks.

Addiction Prevention Talk

Club event

Awareness @ Michael High School , Kurla

Reporter: Rtn. Rackhee Mehta (Hon.Club Secretary 2024-25)

The Rotary Club of Bombay Bayview, in collaboration with the Rotary Club of Addiction Prevention, conducted an impactful awareness talk for 9th standard students of Michael High School , focusing on the critical issue of substance abuse. The interactive talk was given by Dr. Nilima Gada, the District Avenue Chair for Mental Health & Addiction Prevention

The session was designed to be engaging and interactive, ensuring that our students not only gained knowledge but also felt empowered to make safe and healthy choices. It highlighted different types and side effects of substance abuse, how to handle peer pressure, refusal skills, and how to support a friend using substances. These topics were explored through engaging and interactive games, role plays, quizzes, and presentations.

President Rajni Barasia, Hon. Secretary Rtn. Rackhee Mehta, Sps. Dr Kanan Mehta attended this session.

रोटरी क्लब ऑफ बॉम्बे बे व्यूह तर्फे नायर रुग्णालयात 'राष्ट्रीय डॉक्टर दिवस' उत्साहात साजरा

प्रतिनिधी

मुंबई

बा.य. ल. नायर धर्मादाय रुग्णालय, मुंबई सेंट्रल येथे रोटरी क्लब ऑफ बॉम्बे बे व्यूह व वैद्यकीय समाज सेवा विभाग यांच्या संयुक्त विद्यमाने सोमवार (१ जुलै) "राष्ट्रीय डॉक्टर दिवस" साजरा करण्यात आला. रोटरी क्लब ऑफ बॉम्बे बे व्यूह च्या प्रेसिडेंट श्रीमती रजनी बरासिया यांच्या संकल्पनेतून नायर रुग्णालयातील रुग्णसेवेमध्ये अविरतपणे कार्य बजावणाऱ्या सर्व विभाग प्रमुखांना याप्रसंगी सन्मानचिन्ह व प्रशस्तीपत्र देऊन गौरविण्यात आले.

रजनी बरासीया व त्यांच्या इतर सहकाऱ्यांनी व पदाधिकाऱ्यांनी नायर रुग्णालयातील सर्व डॉक्टरांच्या रुग्णसेवेतील समर्पण

व आत्मीयतेने कौतुक केले.

भारतामध्ये लोकसंख्येच्या मानाने डॉक्टरांची संख्या खूप कमी आहे. रुग्णसेवेमध्ये डॉक्टरांची भूमिका फार महत्वाची आहे, समाजाच्या विकासामध्ये डॉक्टरांचे योगदान फार मोठे आहे असे मत नायर रुग्णालयाचे अधिष्ठाता डॉ. सुधीर मेढेकर यांनी व्यक्त केले. तसेच नायर रुग्णालयातील वैद्यकीय समाज सेवा विभागाच्या विभाग प्रमुख

डॉ. अंजली परांडे यांनी कार्यक्रमाचे प्रास्ताविक करताना रुग्ण सेवेमध्ये अहोरात्र झटणाऱ्या डॉक्टरांवर होणारे हल्ले रोखण्यासाठी व त्यांच्या सुरक्षिततेसाठी सामाजिक पातळीवर जनजागृती होणे आवश्यक आहे असे मत मांडले.

कार्यक्रमाचे सूत्रसंचालन विभाग प्रमुख डॉ. अंजली परांडे व समाज विकास अधिकारी श्रीमती स्मिता मंडपमाळवी यांनी केले.
