A Special Welcome to our Today's Chief Guest

Rtn. PDG Dr. R. S. Nagarjuna

Dr. R.S.Nagarjuna is a popular family physician from Chamarajanagar who graduated from Mysore Medical College and has obtained a diploma in maternal and child health. Started his

medical practice at Chamarajanagar in 1984. Now he is the managing director for Kshema Hospital – a 30 bedded Multi Specialty Hospital.

He joined Rotary Club of Chamarajanagar in 1988 and was the president during the year 1994-95, the Silver Jubilee year of the club. He has served RI-Dist 3180 in various capacities. He was elected unanimously as the First District Governor of Rotary international District 3181 for the year 2016-2017. During that year district stood first in membership in Zone seven. He was appointed as Asst. Rotary Co-ordinator - membership for RID 3182, 3190 and 3230 for the year 2018-2019 and 2019-2020. He was the District Trainer of RID 3181 for the year 2020-21. Now he is the Coordinator Rotary Taskforce Health in RID 3181, 3182 and 3190. He is the Cadre of Rotary Foundation in the field of Maternity & Child health for the year of 2022 –28.

He is instrumental in starting a Blood Bank at CIMS, through a Global Grant and Rotary Dialysis Center at Chamarajanagar. He is recipient of "Service above self" award which is the highest award in Rotary.

He has also served in various social and professional organizations. He is the president of DEENA BANDHU a foster home for the orphan children and is also running a model creative learning center in Kannada medium under the able guidance of well-known educationist Sri G.S. Jayadeva. He is the president of Indian Medical Association Chamarajanagar and is the founder secretary for Red Cross Association, Chamarajanagar.

He is very much interested in sports, travelling and is an avid reader. He is married to Sudha Nagarjuna, past president of Inner wheel club of Chamarajanagar and is blessed with 2 daughters, Smt. Adithi who is married to Karun who are both working as consultant engineers at Sydney Australia and Kumari Dharithri who is working as consultant at Tweeter X in SF, USA.

Discover your talents at least now

All of us are endowed with many talents. But many of us do not try to exploit them. We sing in bathrooms, casually play at the nearby ground, draw a picture in our diary or note book and write lengthy letters etc. But, we never dream to become a good singer, a painter, a player or a writer. It is said that the elephant does not know its gigantic size. Each and every one of us is born with certain special qualities which we do not recognize, understand and exploit. We do not make efforts to develop our hidden talents to become a good painter, a good athlete, a good writer, a good singer, a good magician or a good actor. Let us try to develop some of our hobbies. Let us create a vision of what we want to be based on the inclination which we can understand. Only when we discover our hidden talents and develop them, we will be able to enjoy life differently. Rotary provides us ample opportunities to develop our skills. It is for us to make use of it.

Brief report of the meeting held on 25.06.2024 - President Rtn. Ganesh Krishna Bhat expressed his profound thanks and gratitude to the all the members Anns& Annets for their whole hearted support to him during the year in an unforgettable manner. He said our club got Platinum plus award this year and informed the credit should go to each and every member. He further informed that he had strived hard to increase the membership strength. He was happy that 3 doctors and 3 Doctorates and also 4 women members were added altogether 15 new members. He also informed that by utilising the credit balance available in TRF account of many members he could convince them to become PHF, or their family members and some MPHF, altogether 14 PHFs. Thus he was able to achieve the target of 8000 dollars contributions to TRF. He further informed that though he was sick during last 2 months and in ICU for 21 days he was very happy that each and every member helped him to complete the meetings and projects and showed that Rotary work is really a team work. Rtn. T. G. Shenoy Mohan Attavar and Prakash K. E. complemented Rtn. Ganesh Krishna Bhat for the spendid performance and also his humorous way of conducting the meetings and wished the New President Rtn. Mohan Nair all the best. Subsequently President Rtn. Ganesh Bhat recognized the Rotarians and Anns with 100% attendance. Earlier Rtn. Pudalika Shenoy rendered the invocation and Secretary Rtn. Prasanna Mallya proposed the vite of thanks inthe end.

SHARING HOPE WITH THE WORLD"

Events that just happened

Rotary International Convention for 2024 was held at Singapore from 25th to 29th May, 2024. The venue was Martina Bay Sands Expo & Convention Centre and National Stadium, Singapore. Rotary delegates from all over the world participated in the event making it a grand success. After five days of friendship, excitement, and cultural connections, the 2024 Rotary International Convention in Singapore ended with a focus on the future. Speakers emphasized Rotary's continuing mission to promote peace and goodwill and previewed next year's gathering in Calgary, Canada.

ERADICATION OF POLIO

GOOD NEWS

There is a very good news in respect of polio eradication from the world. The last two nations having polio is Pakistan & Afghanistan.

Past RI President Rtn Jennifer Jones announced that the Acting Health Minister of Afghanistan Government has extended their support for house-to-house vaccination in the southern region of Afghanistan. This is indeed a great news as it keeps our hope of ending polio from this world alive.

Huge news today in #polio eradication. The acting Health Minister has announced they will support house-to-house vaccinations in the southern region of #Afghanistan. We need to capitalize on this to #EndPolio.

ROTARY INFORMATION - The Rotary Wheel

It was initially used by the first Rotary Club in Chicago and symbolized civilization and movement. In 1912, it was validated by the Association of Rotary Clubs and "Rotary International" was added to the wheel. A new wheel was adopted in 1929, which is still used today.

- The wheel includes: • 6 spokes
- 24 teeth symbolizing the spirit of service at any hour of the day
- A keying groove to lock the wheel on its axis and make it functional.
