"Take up one idea. Make that one idea your life; dream of it; think of it; live on that idea. Let the brain, the body, muscles, nerves, every part of your body be full of that idea, and just leave every other idea alone. This is the way to success, and this is the way great spiritual giants are produced."

In the Public meeting held in the evening Governor Rotary District 3181 Rtn. Vikramdatta said that 55 years old Rotary Club of Mangalore North is one of the best Rotary Clubs of the District fulfilling all the requirements. They have contributed 3 PDGs, they have their own building, total 64 members are there of which 7 are lady members. They have already hosted two District Projects and going to do one more project RYLA next month. They have sponsored 2 active Interact Clubs, very active Rotaract club and RCC. Further they have already contributed 4500 Dollars to TRF and also contributed 100% to Polio Plus funds. Of course they have to increase registration in My rotary. Org and also it is required that such an vibrant club should have one lady president in nearest future, he said. He further informed that some wrong notions are there about the contributions to TRF but actually club's contributions to TRF comes back to the club later and club can take up bigger projects than their actual contributions and everyone should be aware of this. He also applauded the generous contributions of MD Rtn. Shivaprasad in renovating the 125 year old aided school at Belma Deralakatte at a cost of 3.00 lakhs from his own funds.. He said that these type of services are possible for everyone and we need look at Tata or Mother Thersa for doing services. It is most important that every one can do atleast whatever possible and should have strong mind to do so. Further he said that all clubs should actively participate in the Prevention of Cervical Cancer by giving awareness to the young ladies within the age group of 12-24. Further under the district project Positive Health care assistance to Senior Citizens should be done by all the Rotarians. He said that the Registration for the conference is very low in and requested for 100% registration of Rotarians and Anns immediately.

On this occasion MD Rtn. Dr. Shivaprasad and ann Jyoshna were honored by the Governor for their generosity in fully renovating the School at Balma Deralakatte.

PDG Rtn. Krishna Shetty requested all clubs of zone to send maximum nominations for the ensuing District event RYLA in November in large numbers.
