## NOVEMBER-THE ROTARY FOUNDATION MONTH

Rotary International highlights November as Rotary Foundation Month to emphasize the importance of and need for Rotarian support of The Rotary Foundation. Contributions from Rotarians around the world go to the Foundation's Annual Programs Fund, which provides grants and awards through Foundation programs; and the Permanent Fund, an endowment from which only the earnings are spent in support of Foundation programs, ensuring the long term viability of the Foundation.

Every dollar contributed by Rotarians funds humanitarian and educational programs and program operations. Clubs and districts apply for and receive Foundation grants to carry out worthy projects worldwide.

If Rotary is to be there to teach children to read, build wells, feed the hungry, care for the sick, shelter the poor; then Every Rotarian is invited and encouraged to support the Annual Fund with a personal contribution, Every Year.

Through our Foundation, Rotary members have supported thousands of projects to provide clean water, fight disease, promote peace, provide basic education, and grow local economies. We've also been a leader in the fight to eradicate polio worldwide. It is the perfect time to share this impressive record with the world. Join us in making sure that every Rotary member and people in every community know about the vital work of Rotary and its Foundation.
