VOL. XLVII

Issue No. 48

Date: 10.06.2025

RI President's Message for June 2025.

The best is yet to come

I have had so many wonderful experiences over the past year, but as comforting as it might be to dwell on the past, we must look toward the future.

We are closer than ever to ending polio, but that does not mean we can relax. We still have a promise to keep to the children of the world and their families, and we will only fulfil that promise through fundraising, advocacy, and the power of our collective action.

I was amazed at the capability and commitment of peacebuilders at the Presidential Peace Conference earlier this year. Our Peace Fellowship programme and our many other peace initiatives bring healing to a divided world, but they need our support to remain effective and relevant.

Amid a worldwide loneliness epidemic Rotary offers friendship, purpose and belonging. If we hold true to our ideals to The Four-Way Test and our spirit of inclusivity - we will remain a beacon of light even in the darkest times.

The Action Plan can serve as a guide to make our clubs and districts simply irresistible, but it is up to us to take that advice and put it to use.

Family of Rotary, there is nothing we cannot achieve when we come together and work toward a common goal.

You are The Magic of Rotary, and I can't wait to see the lasting change you bring to the world.

STEPHANIE A. URCHICK, President, Rotary International
