Sincere Gratitude from the Bottom of my Heart

My dear Rotarians Anns & Annets,

I am deeply grateful for the opportunity given to me to work as the President of Rotary Club Mangalore North for the last one year. It has been an honour to serve the community around us with your support. As I lay down my office my heart is filled with gratitude and satisfaction. I am immensely thankful for the unstinted support and cooperation received from all the members Ann & Annets of our Club. The Club Board & Trust Members have helped and guided me through out the year. It is indeed most commendable.

During the year I was able to raise the membership of of club by record 16 new members including 4 lady members.I was able to fulfill the expectations of the District by doing all the district projects of Vanasiri, Vidyasiri, Jalasiri and Arogya Siri. Record number of our members participated in all the District projects including the District Conference and District Training Seminar. With the whole hearted support of our members our club successfully completed District events like RAHLA, RLI Part 1 & 2 and Yoga seminar.Further all the regular projects of our club have been done with utmost dedication. Though I am not sure whether I have fulfilled the expectations of each one of you, but personally I relinquish my post with great sense of pride and satisfaction. When I took up the mantle I was afraid whether I would be able tp fulfill the expectations of the District, but I sm proud today that we had an extremely eventful year filled with great projects, great partners in service, great fellowship, and enlightening guests. I am delighted that we could also complete a district grants project this year. Altogether a record breaking of more than 100 projects, several goals and finally got the most prestigious PLATINUM + award for the first time and also the RI Presidential Citation award during this year. I grieve for the loss of one of our stalwart esteemed charter member Rtn. Narayan Rao during this year which is an irreparable loss to the club. I once again take this opportunity to place on record the active involvement of all Rotarians, Anns & Annets of our club for helping me to perform my duties happily and gracefully. This will be an unforgettable land mark year of my life.I promise you that I will always remember fondly all that you have been to me during the year. My responsibility as President is over, but my role as Rotarian continues for ever.

Yours in Rotary.

Rtn. MPH Dr. Prakash K. E., President 2022-23

ROTARY INFORMATION

Beginning of Rotary Year: Ever wondered why the Rotary year begins on 1st July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18th August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21st August. At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30th June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention. The executive committee concurred, and at its April 1913 meeting, designated 30th June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even 'The Rotarian' changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914). Since the executive committee's decision in 1913, the end of the Rotary year has remained unchanged as 30th June.

'A tremendous stream is flowing toward the ocean, carrying us all along with it; and though like straws and scraps of paper we may at times float aimlessly about, in the long run we are sure to join the Ocean of Life and Bliss.'
