Independence Day Celebrations

India celebrates Independence day on 15th August every year. As it is on this day in the year 1947 India got its independence from British rule. Furthermore, we celebrate Independence day to remband e struggles putforth by our Freedom Fighters. Because they were the ones who struggled for our country and sacrificed their lives. Our Independence day is of great importance to us. It is on

this day when we can remember our martyrs who died for the country. We should forget all our cultural differences and unite as one true Indian on this day. In our country, the Independence day celebration is done on a vast scale. In Schools and colleges, students perform acts to represent the struggle of our freedom fighters to fill us with the feeling of patriotism and love for our country. The patriotism should start from very young age. Therefore all schools and colleges celebrate Independence Day.

Our Constitution provides for Fundamental rights of all citizens for living a free and fair life in an environment of equality. Ask not what the country can do for you, but what you can do for the country. Let us all remember that freedom is not free. There is a price and it has to be worth the price. Let us all celebrate & be grateful to the independence and preserve our independence.

Our President Rtn. Mohan Nair attended the Interact awareness program on 12.08.2024 along with RCM Downtown, RCM Surathkal & RCM Midtown. Rtn. Yashomathi was the Trainer. 6 schools participated.
