Dear President Rtn Harish Adyar and Fellow Rotarians of Rotary Mangalore South,

Greetings from the District Membership Development Team!
At the heart of Rotary lies our members — the driving force that transforms ideas into action and service into impact. As we look at the future of Rotary, it is clear that strong, vibrant clubs are built on committed and growing membership. Each new member brings with them fresh energy, new skills, and diverse perspectives that make our clubs stronger and our service more meaningful.

I urge your club to focus not only on inviting new members but also on engaging and retaining the ones we already have. When members feel connected, valued, and inspired, they will naturally become ambassadors of Rotary, bringing in more like-minded individuals. Membership growth is not about numbers alone—it is about building friendships, creating leaders, and expanding our ability to do good in the world. Let us work together to make your club a place where every Rotarian feels proud to belong.

As your District Membership Development Chairman, I am here to support you with strategies, resources, and guidance. Together, let us ensure that our clubs thrive, our projects grow, and Rotary's future remains bright.

With Best Wishes

Yours in Rotary Service,

Rtn Rithesh Baliga

Dear Friends,

We just completed two months since club installation. The progress we've made is a testament to the collective effort and support of our members. Our community service projects over the past 2 months were made possible by the generosity and enthusiasm of our members, who sponsored these initiatives.

Membership Development Highlights:

- August was Membership Development Month, during which we inducted 2 new members at our Family Dinner Meet.
- We've welcomed a total of 7 new members this year, taking our club strength to 61.

New Interact Club:

- We have started a New Interact Club at Govt High School, Nalyapadavu, Shakthinagar. District Interact Chairman Rtn Ravindra Mysore arrived as the Installing officer for the event. AG Rtn Ravishankar Rao graced the occasion.

I urge all members to continue supporting our club's growth by:

- Inviting at least one new member to join our ranks.
- Sharing innovative ideas to help achieve Rotary's goals.

Together, let's make a difference and drive success! **UNITE FOR GOOD**

Regards

Rtn PHF Harish Adyar
