March Address by AG Rtn Amit Aravind

Dear Rotarians,

As we step into the month of March, we also enter an important phase in our Rotary journey. March is dedicated to **Water, Sanitation, and Hygiene**, one of Rotary's key Areas of Focus. It reminds us of our responsibility—not just to conserve water, but also to promote hygiene and create a healthier society.

Friends, we are now in the **ninth month of the Rotary year**, and I must say, the past eight months have been truly fantastic. Most of the major events of Rotary year 2025–26 have been successfully completed.

I'm proud to share that we are left with **just two more Official Governor Visits**, and with that, our Zone will become **the first in the District to complete all visits on time**—a remarkable achievement!

Looking back at February, we had some wonderful moments. The Official Governor Visit to Perkala was a grand success.

I would also like to give a special thanks to **Rotary Club Manipal Town - President Rtn Deepak Ram Bairy** and **Secretary Rtn Mohan Nayak** for hosting the February month Zonal Review Meet so effectively.

Also, the **World Understanding and Peace Building Day** on February 23rd, conducted jointly with Zone 3 hosted by Rotary Manipal And Rotary Kallianpur, was celebrated in a truly magnificent manner. Your enthusiastic participation showcased the strength and unity of Zone 4. Thank you all for making it so special. Heartfelt thanks and congratulations to the entire team of Rotary Manipal led by Rtn Sashikala Rajavarma.

Now, coming back to this month's focus—**Water and Sanitation**. This is a vast and meaningful area where each club can create real impact. Whether it is providing clean drinking water, building sanitation facilities, or spreading awareness on hygiene—there is so much we can do to serve our communities better.

Moving ahead, in April we have an important event lined up— **the Rahala Past Presidents Meet and Preserve Planet Seminar**. I request all of you to participate in large numbers and make it a grand success for our District Governor, Palaksha Sir.

Friends, we still have **four crucial months ahead**—March, April, May, and June. This is your time, as Presidents and Secretaries, to leave your mark... to create meaningful projects... and to make this Rotary year truly memorable.

Before I conclude, I would like to congratulate Editor Rtn. Prashant Hegde for consistently bringing out the vibrant and colorful RotayOne magazine, month after month. Wonderful effort!

Let us continue working together towards a better world.

Thank you.

Yours in Rotary,

Rtn. Amit Aravind

Assistant Governor – Zone 4, Rotary District 3182

Rotary 4 Way Test
of the things we think, say, or do.

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?

Zonal Learning Facilitator's Message

Dear Club Leaders

In Rotary March month is designated as **Water and Sanitation Month**. As you know WATER is one of the natural renewable resource which we have on the planet Earth and SANITATION indicates the cleanliness. Both of them can be considered as two faces of a coin.

Water is termed as **Jeevan** in Sanskrit without which there is no life. Everyone of us know the importance of water and hence one need to maintain sanctity of the resource. **Rain** is the chief source of water for both surface and underground water.

Our present throw-away style of living leads to pollute the sources of this noble resource to the extent that WATER as become **W**ater- **A**s- **T**he- **E**ndangered- **R**esource!!!. Hence proper sanitation will be the solution. In this context we can plan following activities:

- Provide clean drinking water facilities at railway stations, bus stations and public places.
- Create awareness on water conservation and sanitation.
- Arrange talks/seminars to impart knowledge about **Rainwater Harvesting** and Reuse/Recycle of used water.
- Arrange public toilet facilities to create awareness about hygiene.
- Create sewage/ drainage facilities in economically backward areas. etc.

Dear All kindly note that celebration of **World Water Day**(22 March) is an annual United Nations observance since 1993 focusing on the importance of fresh Water with a yearly theme. This year's theme will be **Water and Gender** to centre women and girls in water solutions because "where water flows equality grows".

Wishing a happy World Water Day i

Thank you

Rtn Dr Ganesh A

Zonal Learning Facilitator – Zone 4, Rotary District 3182

7th Zonal Review Meeting

The Rotary International District 3182, Zone IV, successfully organized its **Zonal Review Meeting** hosted by **RC Manipal Town** at Interact Hall, MAHE, Manipal on 16th February 2026.

The meeting was held in the gracious presence of **Assistant Governor Rtn Amit Aravind**, whose guidance and insights added immense value to the proceedings. **Rtn Amit Aravind**, reviewed the club activities and motivated the club leaders.

The session witnessed active participation from key zonal leaders including - **Rtn Dr. A Ganesh**,

Zonal Learning Facilitator, Zonal Lieutenants **Rtn Janardhan Bhat**, **Rtn Smitha Kamath** and **Rtn Dr. Sreedhar D**. The session concluded on a positive note with valuable guidance from district leaders, reaffirming Rotary's commitment to **"Unite for Good."**

Joint Zonal Event

World Peace & Understanding Day Celebration – 2026

Zones III & IV, jointly celebrated **World Peace & Understanding Day – 2026** with great enthusiasm and community spirit at Green Acres, Santhekatte.

The event was inaugurated by **District Governor Rtn K. Palaksha**, who emphasized Rotary's enduring commitment to fostering peace, harmony, and global understanding. The keynote address was delivered by **Dr. Nandan Prabhu**, Associate Professor at TAPMI, Manipal, who shared insightful perspectives on the role of individuals and institutions in building a more peaceful world.

The occasion was graced by **Chief Guest Rtn Rajaram Bhat B**, District Learning Facilitator, along with distinguished Guests of Honour including **Rtn B. M. Bhat**, District Governor Elect, and **Rtn Sathyendra Pai**, District Chairman – World Understanding.

The program witnessed active participation from Rotary leaders across both zones, including Assistant Governors, Zonal Secretaries, Learning Facilitators, Lieutenants, and members of various clubs. The collaborative efforts of **RC Kallianpura** and **RC Manipal**, the host clubs, ensured the smooth conduct of the event.

Adding vibrancy to the evening, a cultural performance by the **Manjith Dance Group** entertained the audience, followed by fellowship and dinner, strengthening bonds among members.

The celebration served as a meaningful reminder of Rotary's mission to promote peace and goodwill, reinforcing the theme of **"Unite for Good."**
