Monthly Bulletin of Rotary Club of Moodbidri

ISSUE - 6

R.I. Dist 3181 / Zone IV / Charter No.: 15739

DECEMBER 2025

December is  
Disease  
Prevention  
and  
Treatment  
Month.

## PRESIDENT'S DESK

Dear Rotarians,

As we step into December, Rotary highlights one of its most critical areas of focus—Disease Prevention and Treatment. Good health is the foundation of a thriving community, and

as Rotarians, it is our duty to support and promote healthcare initiatives that save lives and improve well-being.

I take immense pride in sharing that our Rotary Club of Moodbidri stands as a leader in healthcare initiatives within our district. With the active participation of our esteemed doctors and healthcare professionals, we have been able to organize numerous health awareness camps, medical check-ups, and disease prevention programs that have benefitted countless individuals.

Through global and district grants, our club has successfully established blood bank, dialysis center, and essential medical facilities in and around Moodbidri, ensuring that quality healthcare is accessible to all. These milestones reflect our unwavering dedication to serving humanity and making a tangible difference in people's lives.

As we observe this important month, let us continue to spread awareness, support medical initiatives, and contribute to building a healthier future. Our collective efforts, whether through service, fundraising, or advocacy, bring hope, healing, and happiness to those in need.

Together, let's keep working towards a world where everyone has access to the care they deserve. Let's serve with compassion and create a lasting impact!

Yours in Rotary Service,

Yours in Rotary,  
**Rtn. Raviprasad Upadhyaya**  
President
