ROTARY INTERNATIONAL ANNIVERSARY

"The foundation upon which Rotary is built is friendship; on no less firm foundation could it have stood."

Paul P Harris (Founder of Rotary)

Welcome to February: Peacebuilding and Conflict Prevention Month

“Peace begins with a smile.” – Mother Teresa

Rotary has always believed in building peace and preventing conflicts. In today's world, conflicts arise in many ways—within families, communities, and even between nations. As Rotarians, we have the responsibility to promote harmony by encouraging dialogue, understanding, and respect for all. Small acts of kindness, active listening, and a willingness to help others can create a strong foundation for peace.

February holds special significance for us, as it marks the founding of Rotary on February 23, 1905. This day is now observed as "World Understanding and Peace Day," reminding us of Rotary's

global mission to foster goodwill among people. This year, as we celebrate Rotary's 119th anniversary, let us take pride in being part of an organization that has dedicated itself to service, friendship, and peace across borders.

As we reflect on our journey, let us renew our commitment to Rotary's ideals. Our club has been actively working on various service projects, strengthening our community, and creating a positive impact. I encourage all members to participate wholeheartedly in our upcoming programs and continue spreading the message of peace and goodwill.

Let us stand together as Rotarians, inspiring change and bringing hope to the world.

**Yours in Rotary Service,
Rtn. Raviprasad Upadhyaya
President**
