OCTOBER

**Rotary's Commitment to
Economic and Community
Development**

PRESIDENT'S DESK

Dear Rotarians,

As we step into October, Rotary focuses on Economic and Community Development, a crucial area of service that empowers individuals and strengthens communities.

It is our responsibility to support sustainable growth, create opportunities, and uplift those in need through education, skill development, and entrepreneurship.

As the Rotary Club of Moodbidri, we have worked on several impactful projects aligned with this theme, helping individuals and communities achieve financial stability. Whether it is supporting small businesses, organizing vocational training programs, or encouraging self-sufficiency, we have made a significant difference. However, our work does not stop here.

This year, let's take this mission forward with even greater enthusiasm. By creating more opportunities, providing resources, and supporting local entrepreneurs, we can transform lives and bring more smiles to our community. Every effort, big or small, contributes to building a stronger and more sustainable society.

Let's continue working together, making a lasting impact, and embodying Rotary's motto—Service Above Self.

Yours in Rotary,
Rtn. Raviprasad Upadhyaya
President
