

NEW MEMBERS TALK

In the absence of President Rtn. Rakesh and Hon. Secretary Rtn. Bhaskar, who were away on personal assignments, Vice President Rtn. Jaykumar and Joint Secretary Rtn. Abhilash presided over last week's meeting. After the regular formalities, the floor was opened to the six newly inducted Rotarians to help members get to know them better. It has been a cherished tradition at Midtown for the past few years to provide new members an opportunity to introduce themselves.

Rtn. Balu Vijay was the first to speak. He expressed his happiness and pride in becoming a part of Midtown, recalling his first meeting with Rtn. Rakesh at an event, which later led to a joint trip to

Davanagere for a presentation—marking his first step into Rotary. After a decade in the teaching profession at Vidyavardhaka College, Balu ventured into diverse fields such as pharmaceuticals, construction, and his family's food products business. He is currently the Managing Director of Raksha Hospital. Balu is married to Sadashree, and the couple are blessed with two children.

Rtn. Vinod Kumar Jain, an electrical contractor, specializes in designing residential layouts, commercial complexes, and hospitals. His 40-member team operates across Bangalore, Goa, Ahmedabad, and Delhi. Married to Sujatha, the couple are blessed with a

son who is a freelance photographer. Vinod shared his deep compassion for cancer patients and his desire to contribute toward their care—an inspiration drawn from a personal tragedy in his life.

Rtn. Dr. Srinath Shetty, married to Dr. Sujatha Shetty, takes care of his elderly parents and is engaged in the field of intellectual property rights and anti-duplication enforcement. His firm is associated with around 500 companies and has conducted several notable enforcement drives, including one at the Mysore Sandal Soap Company. Dr. Srinath also plans to start a newspaper soon. A philanthropist at heart, he has adopted two daughters. His hobbies include long drives, and when not in Mysore, he can often be found cruising along the Madikeri highway.

Rtn. Mohan has been in the hospitality business for over 12 years and is known for offering authentic vegetarian banana-leaf

meals for just ₹99. Starting his catering venture in Srirangapatna before moving to Mysore, he turned the challenges of the COVID pandemic into an opportunity to serve quality food when it was most needed. The ever-smiling Mohan was humorously described as “the most eligible bachelor after our DG Ramki,” much to the amusement of the audience.

Rtn. Rajesh, a RERA-certified realtor from Coorg, is known for his ethical business practices. His career began with a real estate firm, but after being deceived despite his hard work, he decided to establish his own company, aptly named *Hot Properties. Rajesh shared insights from his experiences dealing with the real estate mafia and emphasized how honesty and integrity always triumph in the long run. The introductions offered a delightful glimpse into the diverse professional and personal lives of our new members. Midtown warmly welcomes them to the Rotary family and looks forward to their active participation in the club's service and fellowship activities.
