

## NEW MEMBERS TALK

**CA H. K. Janardhan** CA H. K. Janardhan is a practising Chartered Accountant and the founder of Janardhan & Co., Chartered Accountants, based at Saraswatipuram, Mysuru. Born in November 1997 and a native of Hassan, he comes from a value-oriented family. His father, H. K. Keshavamurthy, earlier ran an Iyengar Bakery and is now a Purohith, and his mother Shamaatha is a strong pillar of support. He has two younger brothers. Professionally, CA Janardhan specialises in Audit, Accounts, Direct & Indirect

Taxation, GST compliances, Income-tax matters, and advisory services for individuals, startups, and MSMEs. He believes in ethical practice, timely compliance, and long-term client relationships. Beyond his profession, he is passionate about fitness, badminton, and continuous self-development.

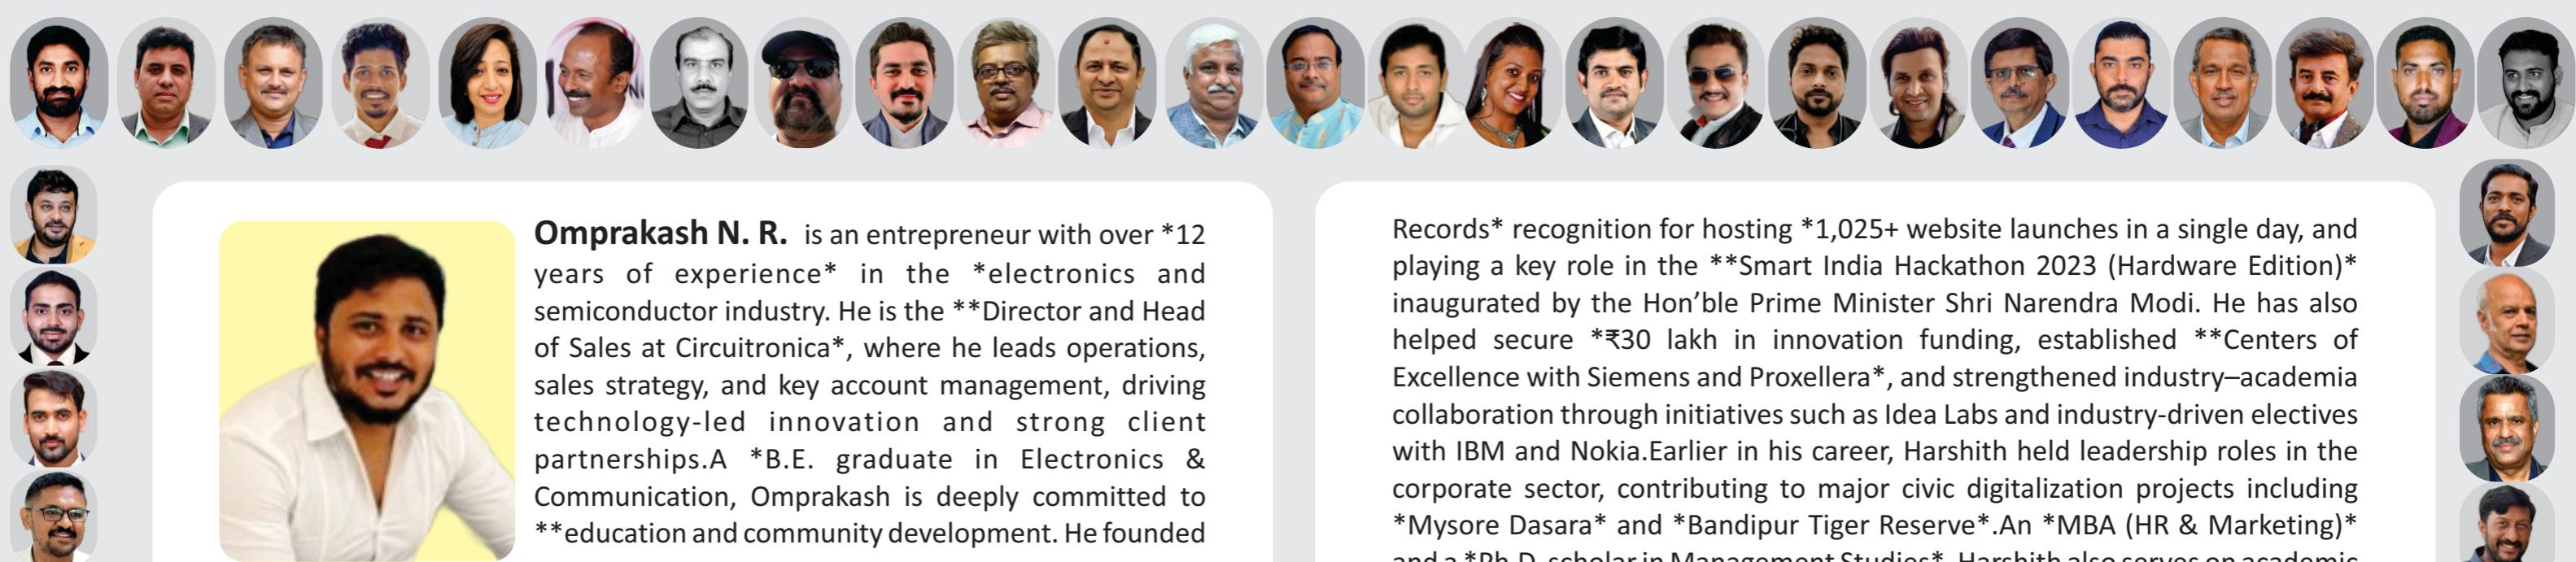

### Sanjith Prasad

A strategic and results-oriented \*Marketing and Business Leader\* with over \*15 years of experience\* across Hospitality, IT, FMCG, Media, Technology, and Manufacturing sectors. Known for successfully \*scaling brands, driving digital growth, and executing high-impact marketing initiatives\*, he brings a strong blend of strategic thinking and hands-on leadership. An \*MBA graduate from James Cook University, Singapore, and a \*\*Bachelor of Engineering (Information Science)\* from

Vidyavardhaka College of Engineering, Mysore, his professional journey includes leadership roles such as \*Head of Marketing at Spintly, \*\*Global Marketing Manager at A5 Corp, \*\*Head of Marketing at Thermoformings & Allids, and \*\*Senior Marketing Manager at Easy Taaza\*. His core strengths include \*business strategy, digital marketing, brand building, event management, and media & television broadcasting\*, with a proven ability to lead cross-functional teams and manage multi-location operations. He is supported by a strong family foundation—his parents being respected educators, his spouse an accomplished commerce professional, and a proud father to his son, Shivansh. A committed professional with a growth mindset, he continues to contribute meaningfully through leadership, innovation, and service.

*Continued...*

**Omprakash N. R.** is an entrepreneur with over \*12 years of experience\* in the \*electronics and semiconductor industry. He is the \*\*Director and Head of Sales at Circuitronica\*, where he leads operations, sales strategy, and key account management, driving technology-led innovation and strong client partnerships. A \*B.E. graduate in Electronics & Communication, Omprakash is deeply committed to \*\*education and community development. He founded

the \*\*Circuitronica Centre for Excellence\* at JSS Science and Technology University, Mysore, providing students with hands-on training in PCB design and electronics prototyping. He also supports aspiring engineers through \*free internships, project mentorship, and sponsorship of hackathons, workshops, and technical events\*. Alongside professional commitments, he actively participates in \*social initiatives\*, including donation drives and visits to orphanages and old-age homes. He is married to \*Shwetha Hombale, a \*\*Software Developer at BOSCH\*.

**Harshith Divakar** is a seasoned higher education and corporate development professional with over \*15 years of experience\* spanning \*Training & Placement, Corporate Relations, Talent Development, Admissions Strategy, and Institutional Branding\*. Known for his strategic vision and transformational leadership, he has played a significant role in advancing student success, institutional growth, and industry collaboration. Currently serving as \*Head of Training

and Placement at The National Institute of Engineering (NIE), Mysuru, Harshith has been instrumental in strengthening the institute's placement ecosystem. Under his leadership, campus recruiters increased from \*\*70 to over 320 companies, while the highest salary package rose from \*₹23 LPA to ₹72 LPA\*. His efforts have contributed to placements for \*\*over 20,000 students\*, alongside notable improvements in mean and median salary outcomes. Beyond placements, Harshith has led several landmark initiatives. These include organizing \*India's largest hackathon (Yappon Event) with Microsoft, achieving an \*\*India Book of

Records\* recognition for hosting \*1,025+ website launches in a single day, and playing a key role in the \*\*Smart India Hackathon 2023 (Hardware Edition)\* inaugurated by the Hon'ble Prime Minister Shri Narendra Modi. He has also helped secure \*₹30 lakh in innovation funding, established \*\*Centers of Excellence with Siemens and Proxellera\*, and strengthened industry-academia collaboration through initiatives such as Idea Labs and industry-driven electives with IBM and Nokia. Earlier in his career, Harshith held leadership roles in the corporate sector, contributing to major civic digitalization projects including \*Mysore Dasara\* and \*Bandipur Tiger Reserve\*. An \*MBA (HR & Marketing)\* and a \*Ph.D. scholar in Management Studies\*, Harshith also serves on academic and governance bodies, reflecting his continued commitment to education, innovation, and leadership development.

**Mahadev Prasad** with over \*two decades of experience in the construction industry, the Founder & CEO of \*\*Skyline Constructions\* has built a strong reputation for delivering \*high-quality residential and commercial projects\* across \*Mysuru, Bengaluru, and Chamarajanagar. His professional journey is marked by a consistent focus on \*\*structural durability, design excellence, safety, and customer satisfaction\*. Since establishing Skyline Constructions in \*2014, he has successfully led \*\*end-to-end construction operations,

overseeing planning, design coordination, material sourcing, and on-site execution. Under his leadership, the company has delivered \*\*100+ premium projects\*, ranging from independent residences to commercial developments, each executed with attention to detail and adherence to timelines. His expertise spans \*construction management, quality interiors, and project execution, supported by strong vendor partnerships and skilled workforce management. A key strength lies in building \*\*long-term client relationships\* through transparency, ethical practices, and reliable delivery standards. A \*Diploma holder in Civil Engineering\* from Government Polytechnic, Chamarajanagar, he combines technical knowledge with hands-on experience to ensure compliance with statutory norms, safety standards, and sustainable building practices. Committed to excellence and continuous improvement, he continues to contribute to the region's urban growth while creating spaces that reflect trust, quality, and lasting value.

## Rotary Mysore Midtown Project a Week:

Rtn. Bhanu Chandran extended support to a needy student by contributing ₹10,500/- towards educational fees. He continues to provide financial assistance for the education of maid's daughters, reflecting his sustained commitment to education and service. Rotary Mysore Midtown n Team Do Good thanks you for ur service.
