## Today's Talk on Cyber Security by Inspector Nandeesh Kumar

"Some careers are chosen. Some call you to serve." Today, we are honoured to welcome an officer who has answered that call with courage, compassion, and consistency. Mr. Nandeesh Kumar C, currently serving as Police Inspector at the Cyber Crime Police Station, Mysuru City, brings with him 15 years of dedicated service in the Karnataka Police. From the hills of Madikeri to Somwarpet, Nanjangud, Chamarajanagar, Hassan, and Mysuru, his journey reflects deep grassroots experience and unwavering commitment. Born to Sri Chamundaiah and Smt. Shivamma, he carries strong values of humility, discipline, and service—values that continue to guide his professional life. A Master of Social Work from the University of Mysuru, he believes policing is not just about

enforcing the law, but about understanding people and protecting society. Having served in Law & Order, Crime Branch, and Traffic, he brings rare field wisdom. Today, as cybercrime enters our homes through screens and smartphones, he stands on the digital frontline—protecting citizens in a borderless world. His journey reminds us that true leadership begins at home and serves the nation. Rotary is proud to welcome Police Inspector Nandeesh Kumar C as our guest speaker. Please join me in giving him a warm Rotary welcome.

## Rotary Means Business & International Fellowship of Rotarian Musicians

### – A Unique Joint Meeting

Last week's joint meeting with Rotary Means Business Fellowship (RMBF) and the International Fellowship of Rotarian Musicians (IFRM) was a distinctive blend of Rotary, business, and music. RMBF President, Rtn. Nagesh, addressed the gathering and shared insights into the journey of the Mysore chapter, which began nearly a decade ago with fewer than 15 members. From those humble beginnings, RMBF Mysore has grown phenomenally to

over 150 members, achieving a collective business growth of more than ₹250 crores. The fellowship has successfully created a strong platform for members to engage in ethical business networking and

mutual growth. Rtn. Nagesh also briefed members about their upcoming flagship event — an International Trade Fair scheduled for May at the Maharaja College Grounds. The event will feature stalls for entrepreneurs and aims to be a grand confluence of business, industry, and fellowship, with both local and international participation. The collective efforts of RMBF members have gone into making this first-of-its-kind event in Mysore a grand success. We extend our best wishes to the RMBF Mysore chapter for this landmark initiative. The second speaker of the evening was Rtn. Dr. B. Chandra, the driving force behind bringing IFRM to Mysore. As Music Chapter Chairman, Dr. Chandra highlighted the history of IFRM, established in 1972 to promote and encourage the appreciation and use of music within Rotary clubs and in society at large. The fellowship aims to foster world understanding through music - a universal language that reflects Rotary's broader mission of promoting international goodwill and peace.

The Mysore chapter proudly stands as the 37th chapter in India. The meeting concluded with a vote of thanks by Past President of RMBF, Rtn. Sulaiman Sait, who expressed gratitude to the RMBF and IFRM Chairmen for enlightening Rotarians about the diverse fellowship opportunities within the wider world of Rotary.

**Guddali Pooja of PKSS Shelter**

Ground breaking ceremony- the shelter for patients attendees was conducted last Friday attended by Rotarians is a huge initiative by midtown at PKSS

*Rtn. Janardhan got engaged to Dr. Brinda last Sunday at Mysore. Congratulations Janardhan on stepping into new journey*
