

DG's Official Visit

DG Rtn P K Ramakrishna, affectionately known as Rtn Ramki, is a dynamic leader whose blend of professional excellence and lifelong commitment to service has earned him deep admiration. Born in the historic town of Oorgaum in Kolar Gold Fields (KGF), he holds a Master's degree in Organic Chemistry from the University of Mysore. His early scientific career began at CECRI, where he contributed to the Indian Air Force's SARAH project on mercuric oxide button batteries.

With a passion for innovation, he transitioned into entrepreneurship and founded FLOWERSYNTH in 1981—an enterprise that has since grown into a reputed manufacturer of over 100 specialty fragrance ingredients. He is a life member of FAFAI, a partner in Well-Bloom Agro Products, and currently serves as Director at Regain Biotechnologies, demonstrating his wide-ranging industrial engagement.

A dedicated member of Rotary Mysore Midtown since 1986, Rtn Ramki served as Club President in 1995–96. He has held several key leadership positions in Rotary, including District Grants Sub-committee Chairman, and is a recipient of the prestigious 4-Avenue Service Award. His personal interests—meditation, reading, research and NLP integration—reflect his thoughtful and purpose-driven approach to both professional and personal life.

Hearty welcome to

Rotary Club of Mysore Midtown - A Year of Purpose, Passion & Impact (2025–26)

In a world that constantly calls for empathy, leadership, and meaningful change, the Rotary Club of Mysore Midtown has stood tall as a vibrant force of service. The Rotary year 2025–26 has been a remarkable journey—defined not just by the number of projects undertaken, but by the depth of lives touched and the spirit of unity that binds every Midtowner.

With sustained momentum across months, a growing and engaged membership, and a wide spectrum of impactful initiatives, Midtown has truly embodied the Rotary motto—Service Above Self.

Transforming Communities Through Meaningful Action

Community Service has remained the cornerstone of Midtown's efforts, addressing real-world challenges through thoughtful and impactful interventions.

Education continues to be a priority. Through consistent Project a Week initiatives, members have supported

numerous deserving students with school and college fees, ensuring uninterrupted access to learning. Contributions such as uniforms, groceries, and infrastructure support to institutions like Gavadagere Ashram and Arivu School have strengthened the foundation of education for underprivileged children.

Healthcare initiatives have created equally powerful impact. From mega health check-up camps and dental camps to awareness programs and vaccination drives, Midtown has taken proactive steps in preventive and curative care. The HPV awareness and vaccination initiative, in particular, stands out as a significant contribution toward safeguarding the health of young girls and promoting long-term well-being.

The club has also extended financial support to patients in need, contributed to palliative care centers, and participated in maternal and child health programs—demonstrating a holistic approach to healthcare.

Public awareness initiatives such as Swachha Mysuru rallies, Cycle Day participation, and World Rotary Day campaigns have brought Rotary closer to the community, inspiring citizens toward healthier, cleaner, and more responsible living.

Empowering Through Compassion and Inclusion

Beyond structured projects, Midtown’s service is deeply rooted in compassion. Support to orphanages, destitute homes, and special children has been a recurring theme across the year.

A shining example of this commitment is Baandhavya, Midtown’s flagship initiative dedicated to specially-abled children. More than just a sports event, Baandhavya is a celebration of inclusivity, confidence, and joy. By bringing together special schools and creating a platform for these children to shine, the initiative reflects the true spirit of Rotary—uplifting every individual with dignity.

The club’s continued engagement with institutions like Rotary Manasa Kuteera further reinforces this commitment, ensuring sustained care, education, and emotional support for children with special needs.

Building for the Future – PKSS Shelter Project

One of the most defining highlights of the year has been the PKSS Visitor’s Shelter Project—a visionary infrastructure initiative aimed at serving thousands of patient attendants every day.

Strategically located within the hospital premises, the shelter will provide comfort, protection, and dignity to families during challenging times. The groundbreaking ceremony marked the beginning of a transformative project supported through CSR collaboration, reflecting Midtown’s ability to execute large-scale, sustainable service initiatives. This project stands as a powerful symbol of Rotary’s commitment to creating long-term, meaningful impact.

Celebrating Excellence and Inspiring Society

Vocational Service has been instrumental in recognizing individuals who inspire through their work and dedication. Prestigious honors such as the Sainik Deshrathna Award, Academic Excellence Awards and Farmer Awards have celebrated excellence across diverse fields.

These events not only acknowledge achievements but also motivate the community to strive for higher ideals, reinforcing Rotary’s role as a catalyst for inspiration and progress.

Nurturing Youth, Shaping the Future

Midtown has consistently invested in youth development, understanding that tomorrow’s leaders are shaped today. Through Interact and Rotaract platforms, leadership programs like RYLA, and innovative initiatives such as Kidpreneur, young minds have been encouraged to think, lead, and act.

From debates and symposiums to entrepreneurship experiences, these programs have fostered confidence, creativity, and a sense of responsibility—ensuring that the values of Rotary continue to thrive across generations.

Strengthening Bonds – Within and Beyond

At the heart of Midtown’s success lies its strong culture of fellowship and connection. The club has curated meaningful engagements that go beyond service, strengthening relationships among members.

Initiatives like Mata Pita Sanman brought an emotional and inspiring dimension to club activities, honoring parents and celebrating the values of gratitude and respect. The event resonated deeply with members, reinforcing the importance of family and cultural roots.

Complementing this was the Power Couple Series, a unique platform where accomplished couples shared their journeys of balancing professional success with personal harmony. These sessions offered valuable

insights, inspiration, and a deeper sense of connection within the Rotary family.

Internationally, flag exchanges and participation in global Rotary events have strengthened Midtown’s presence in the worldwide Rotary network, fostering goodwill and collaboration.

Conclusion: A Legacy in Motion

The journey of Rotary Mysore Midtown in 2025 - 26 is not merely a record of activities - it is a story of compassion in action, leadership in service, and

communities transformed.

From empowering students and advancing healthcare to building infrastructure and celebrating inclusivity, every initiative reflects a shared vision - to create meaningful, lasting change.

With passion in its purpose and strength in its unity, Midtown continues to move forward, not just as a club, but as a force of positive transformation-building a legacy that will inspire generations to come.

New Members - Profile

Dr. Harish Kejriwal, a distinguished pediatrician based in Mysuru, is widely respected for his expertise in child healthcare and his contributions to medical services in the region. With a strong foundation in clinical practice, he was associated with Apollo Hospitals from 2005 to 2012, where he played a key role in delivering quality pediatric care.

Currently, Dr. Kejriwal practices at Brindavan Hospital and serves as the Founder Director of the Brindavan Group of Hospitals, a 100-bed tertiary care institution committed to comprehensive healthcare. He is also the Founder Director of Meritus Diagnostics, a center

offering advanced and reliable diagnostic services.

A former member of Rotary Midtown, Dr. Kejriwal strongly upholds the Rotary ideal of “Service Above Self,” reflecting his commitment to both professional excellence and community welfare. His key professional interests include pediatric healthcare, hospital administration, diagnostic services, and preventive medicine.

Beyond his professional life, he enjoys swimming and reading. He is supported by his wife, Mrs. Nisha Kejriwal, a former dietitian at Apollo Hospitals and currently the General Manager at Meritus Diagnostics. Their daughter, Anupama Kejriwal, is pursuing her final year MBBS at M. S. Ramaiah Medical College, Bengaluru, while their son, Aditya Kejriwal, has recently completed his Class 12 from Chaitra PU College.

Dr. Kejriwal continues to contribute meaningfully to healthcare and society with dedication and compassion.

Varun KN – Member Biodata

Varun KN, born on 30th May 1988, is a dynamic entrepreneur with over 13 years of experience in the travel and tourism industry. He holds an MBA from Karnataka Open University and serves as Director of AirYouGo Vacations Private Limited, a reputed travel agency based in Mysuru.

Under his leadership, the company has earned recognition as a 5-star travel service provider and is among South India’s leading partners for destinations such as Maldives and Mauritius. He is also a recipient of the Bali Specialist Award from Indonesia Tourism and specializes in customized tours, group travel, cruises, visa services, and airline ticketing.

Varun hails from a family deeply connected with service and leadership. His father, Narayanababu KN, is the proprietor of the long-standing Sri Vinayaka Stores, while his mother, Lathanarayan KN, has served as Commissioner of Scouts & Guides and is a Past Rotary President (District 3190). Inspired by this legacy, Varun is keen to contribute meaningfully to Rotary’s service initiatives.

He is married to Harika Varun, who is also Director at AirYouGo Vacations, and they are blessed with two daughters, Riyanshi and Pranshi.

Beyond his professional pursuits, Varun has a keen interest in cornea grafting and enjoys playing badminton. He looks forward to active participation in Rotary, combining service with fellowship and networking.

Prashanth P – Technology Professional and Heritage Storyteller

Prashanth P is a seasoned IT professional and entrepreneur with over 15 years of experience in the technology sector. Holding an MSc in Information Technology, he has built a strong reputation for his leadership and innovation as the Director of Eventus Infotech, where he has successfully delivered cutting-edge IT solutions across multiple industries.

Beyond his accomplishments in the corporate world, Prashanth is widely recognized for his passion

for history and media. As the Founder of Ask Mysuru Digital Media, he has created a unique platform dedicated to showcasing the rich cultural and historical heritage of Mysuru. Through well-researched and visually engaging documentaries, he brings to life the stories of iconic tourist destinations, ancient kingdoms, and dynasties, making history accessible and engaging for modern audiences.

His work has been appreciated by district administration and government bodies, highlighting his contribution to promoting heritage awareness and cultural tourism. By blending technology with storytelling, Prashanth has successfully created meaningful content that resonates with both residents and visitors.

Prashanth P stands as an inspiring example of how professional expertise can be combined with personal passion to create a lasting social impact, enriching both the digital and cultural landscape of Mysuru.
