

Chief Guest of the Day

Rtn. Praveen N, born on 7th February in Mysore, brings together professional excellence, sporting spirit, and dedicated service to Rotary in a truly inspiring way. An alumnus of PES College of Engineering, Mandya, where he pursued Mechanical Engineering, Praveen has gone on to establish himself strongly in the corporate world. He currently serves as Director at Unilog Content Solutions, Mysuru, contributing to the dynamic and ever-evolving e-commerce domain with vision and leadership. Beyond his professional accomplishments, Praveen is a passionate sports enthusiast. His competitive spirit and discipline are reflected in his achievement as a state-level Kho-Kho champion—an accolade that speaks volumes about his determination, teamwork, and agility.

45th Charter Nite Celebration

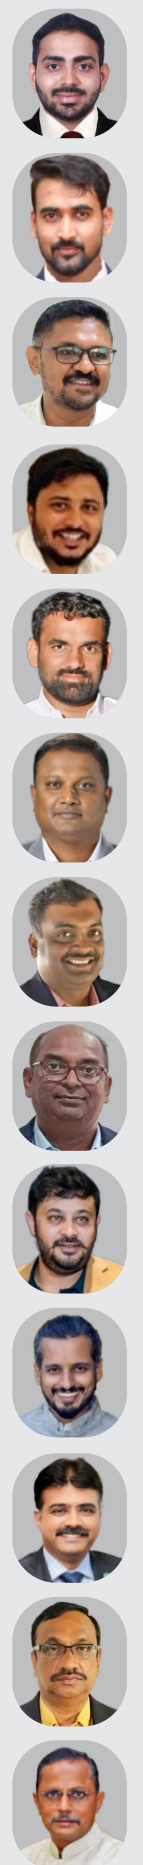

Rotary Mysore Midtown proudly marks its 45th year of charter—a milestone that reflects not just longevity, but a legacy of vibrancy and impact. As the third Rotary club to be established in Mysore, Midtown has grown into a dynamic force, known across the district for its spirit of service and leadership. What truly sets Midtown apart is its essence—an unmatched culture of fellowship and camaraderie. It's a club where bonds go beyond meetings, where friendships turn into lifelong connections, and where service is driven by heart as much as by purpose. Forty-five years on, Midtown continues to stand tall—not just as a club, but as a close-knit family that celebrates together, serves together, and grows together.

Congratulations!

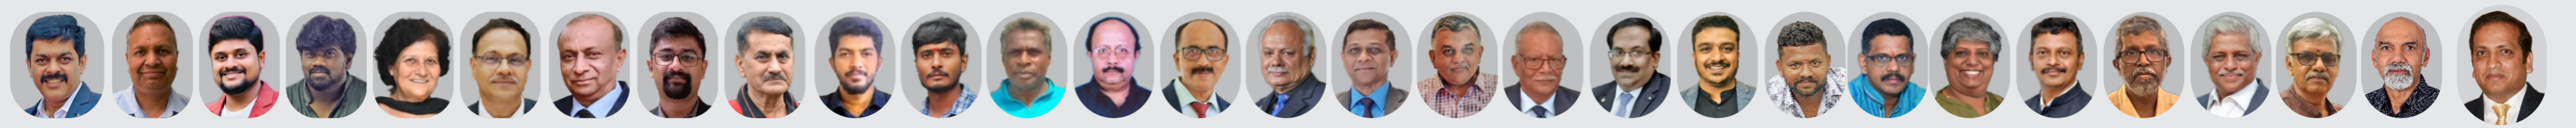

RTN SUNANDA had the privilege of participating in an intensive 5-day online workshop conducted on an all-India basis for professionals in the field of education. The workshop was organized from Delhi and was based on the National Education Policy (NEP) with a focus on CBSE. Sunanda Shares her enriching learning experience. The certification awarded was for TTT (Train the Teachers). On the final day, it was announced that the top 10 participants would receive special recognition certificates virtually. She was honoured to be among the top 10. The evaluation process was rigorous and

comprehensive. It assessed communicative and written skills, along with critical analysis, interpersonal skills, leadership qualities, attitude, and more. The daily assignments were thought-provoking and engaging. They also worked on Root Cause Analysis through detailed case studies. As part of the activities, she also composed a poem based on a given picture.
