THE 2025-26 NOMINATING COMMITTEE HAS NOMINATED LARRY A LUNSFORD

**OF ROTARY CLUB OF KANSAS CITY –
PLAZA UNITED STATES FOR THE OFFICE
OF ROTARY INTERNATIONAL PRESIDENT
FOR THE YEAR 2027-28.**

PRESIDENT'S MESSAGE MONTH OF AUGUST 2025

continued from last week...

And we've seen cause-based clubs thrive in regions as diverse as Southeast Asia, Africa, and Europe. There's a common thread: Where clubs are growing, membership is a priority and there is a willingness to try something new. Rotary is not limited to one structure or tradition. We are a global network of people of action, and that means there is room for many kinds of clubs, many ways to serve, and many paths into our organization. This spirit of innovation is also guiding our efforts to reach new communities. In

places where there has never been a Rotary club — or where a club once existed and faded — Rotarians are finding ways to grow Rotary. They are identifying areas of potential and building clubs that reflect the character and needs of their communities. Every member plays a part in this journey. Whether you introduce a friend to your club, support a new meeting format, reconnect with program alumni, or simply share your Rotary story, you are helping our organization grow stronger and more vibrant. No one owns a Rotary club. It is a gift we pass on to the next generation. When we nurture that gift, when we invite others to share in it, we ensure that Rotary continues to be a force for good. Let's prioritize membership growth — not just in August but every month of the year. Together, through friendship, creativity, and shared purpose, we will grow Rotary and Unite for Good.
